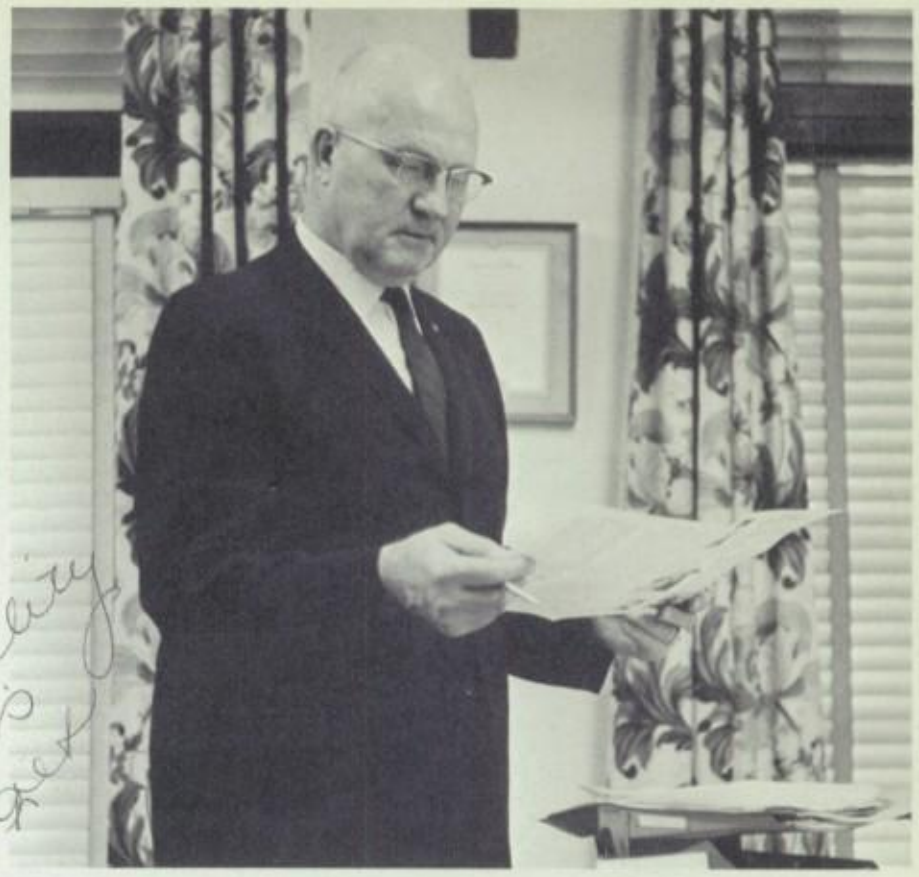
"Time and tide wait for no man."
Proverb

TIME PROVED LEADERSHIP



As the hours, weeks, and years go by, how can a school measure the value of the people who, seen and unseen, make it what it is?

The length and quality of service provided by our principal, Mr. Donald C. Cruickshank, during the 34 years he has been at F.U.H.S. cannot be judged in fullness now.

The years have seen a quickening pace of education on the Indian campus. We have been able to choose the best of new and old in educational innovations, never relinquishing our place as one of the leading high schools in California. To maintain this position requires excellent facilities, fine students, a dedicated faculty, and superior leadership.

Is it not fitting, then, to dedicate the 1965 *Pleiades* to the man whom we recognize and acknowledge to have played a leadership role at Fullerton Union High School for 34 years? As teacher, coach, counselor, dean, vice-principal, and principal, we have known and respected Mr. Cruickshank. Each of us should be proud to study and work at Fullerton.

If it is true that time and tide wait for no man, then let it be here said that man need not wait for time. Mr. Cruickshank has proven this. His consistent work these years has led us to a true position of leadership among high schools.

"DOST THOU LOVE LIFE? THEN WASTE NOT TIME,

A yearbook is a memory book, a history of the present year keeping events forever alive and people forever young. Each picture is more valuable than a minute of Time, and each is a remembrance of a year that will never change. In a yearbook, Time stands still. There is only the present, and the promise of the future.

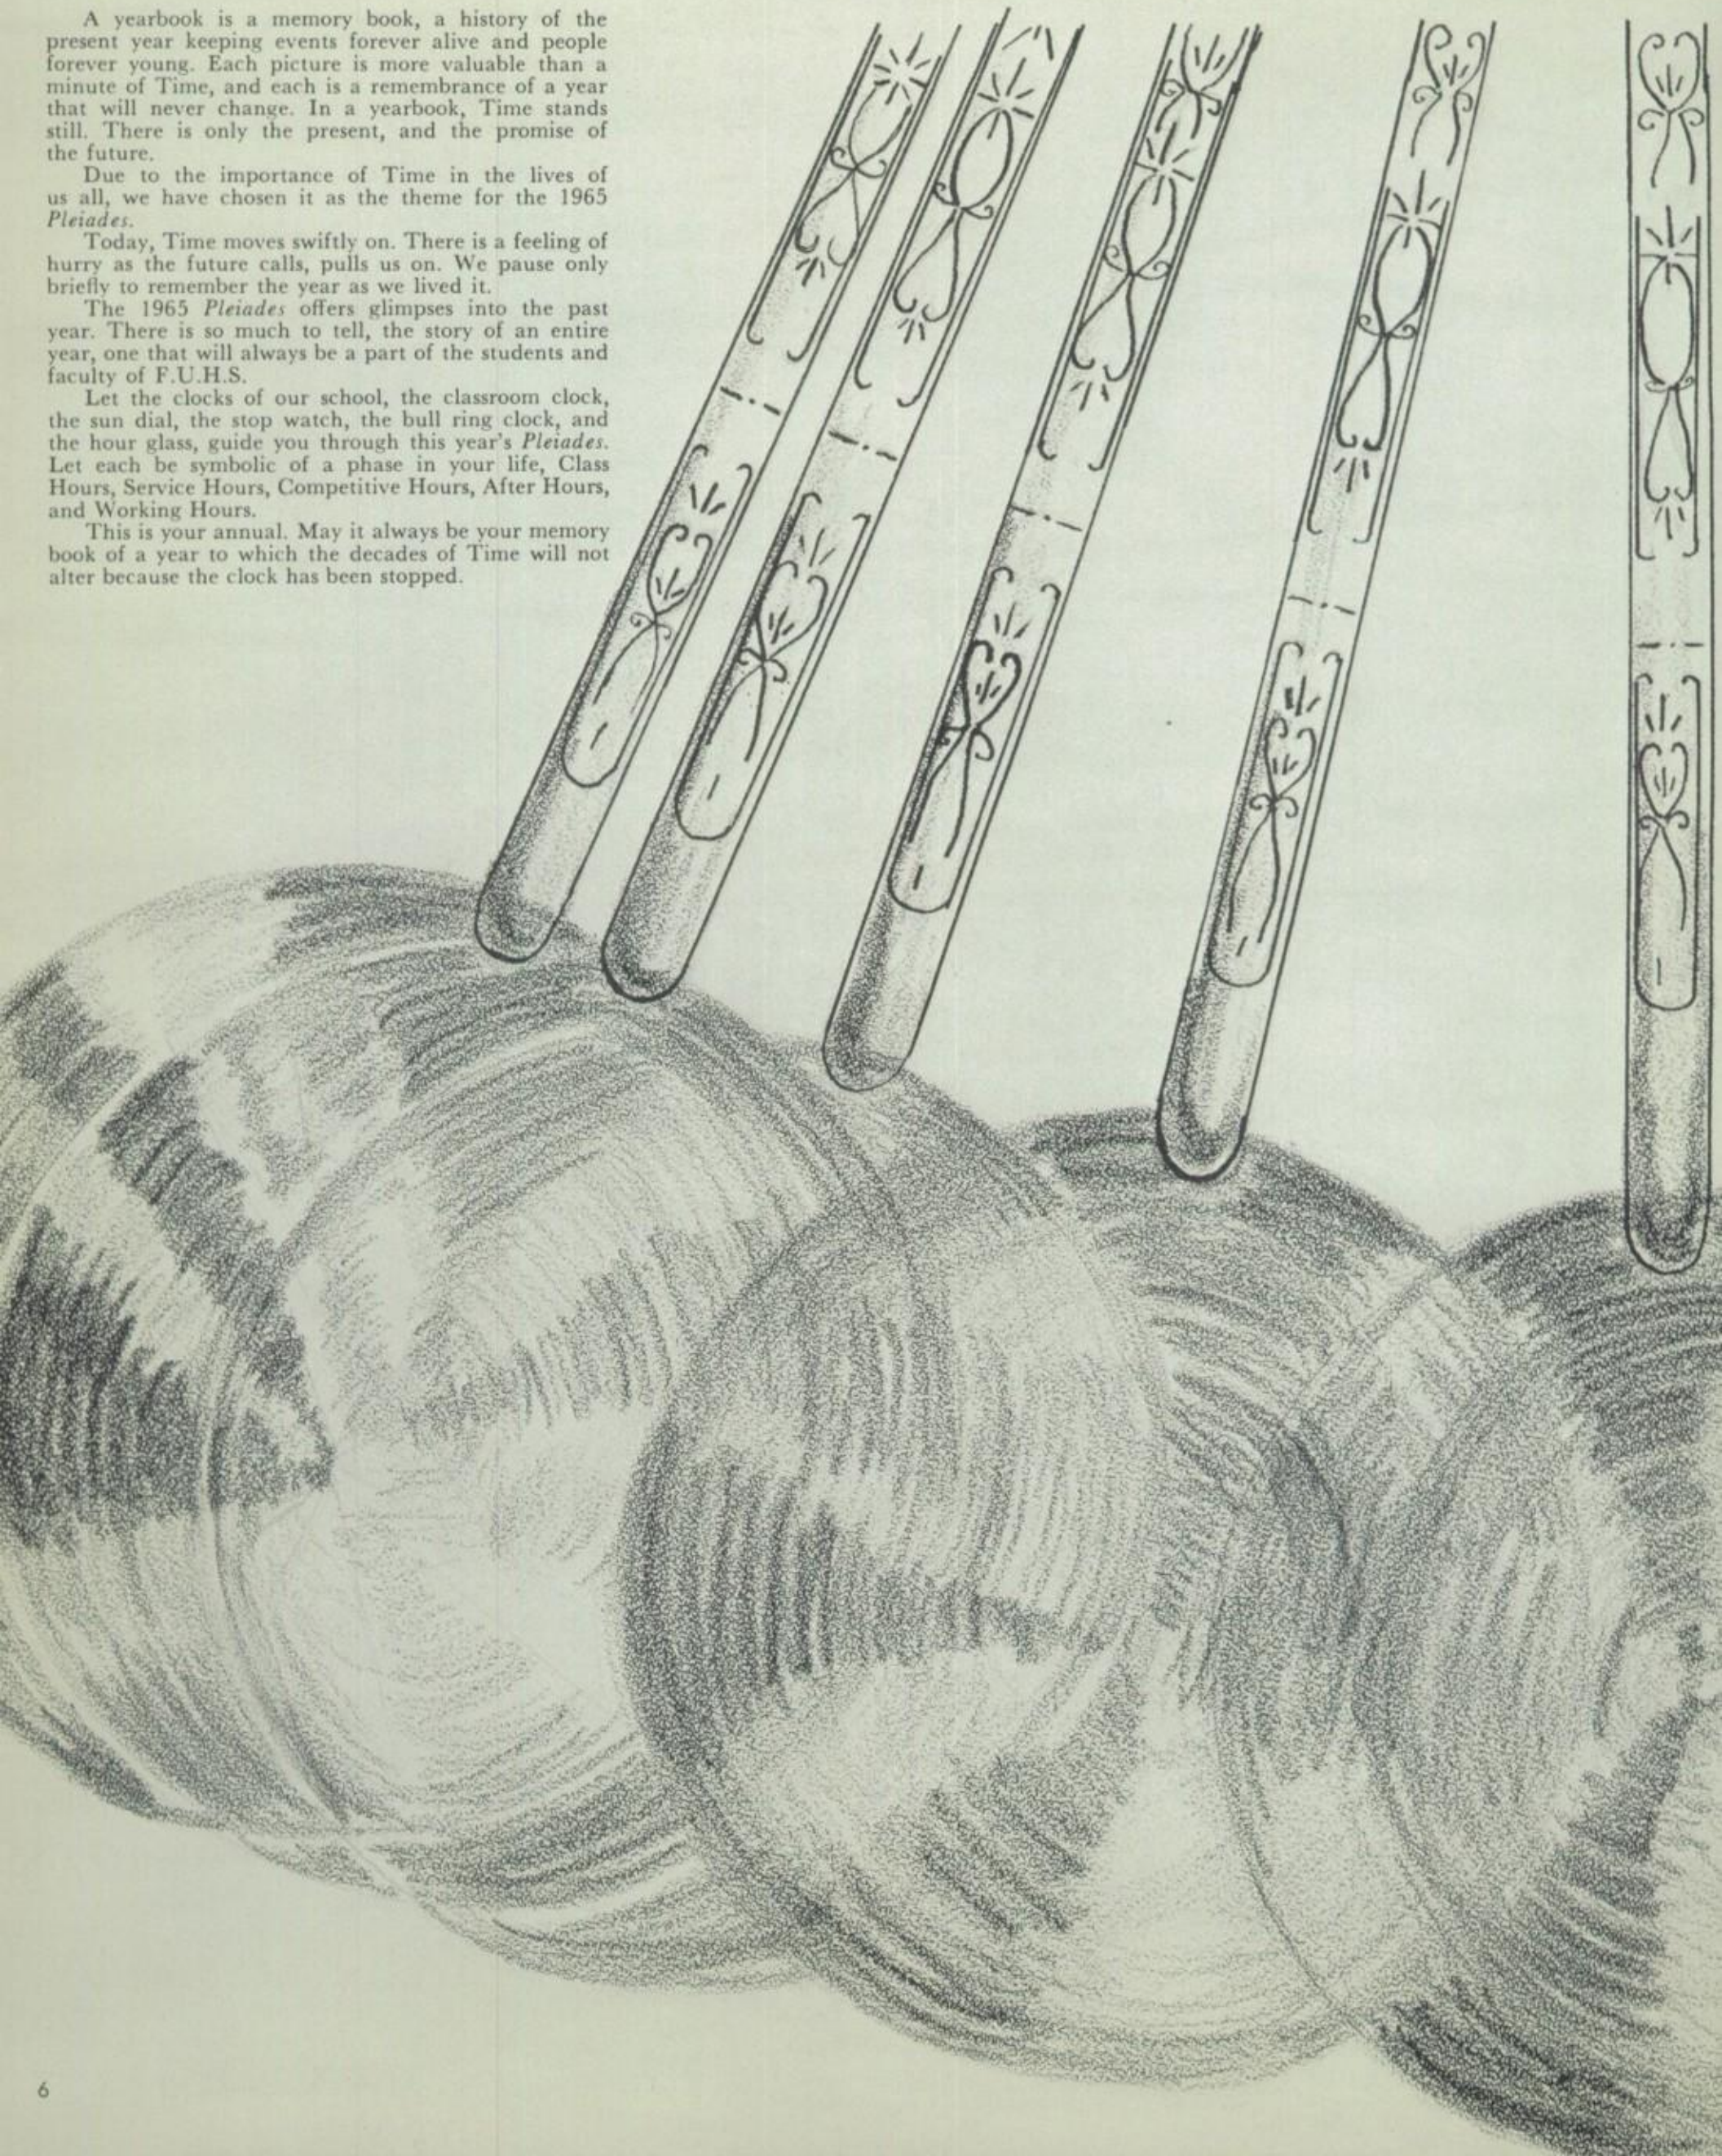
Due to the importance of Time in the lives of us all, we have chosen it as the theme for the 1965 *Pleiades*.

Today, Time moves swiftly on. There is a feeling of hurry as the future calls, pulls us on. We pause only briefly to remember the year as we lived it.

The 1965 *Pleiades* offers glimpses into the past year. There is so much to tell, the story of an entire year, one that will always be a part of the students and faculty of F.U.H.S.

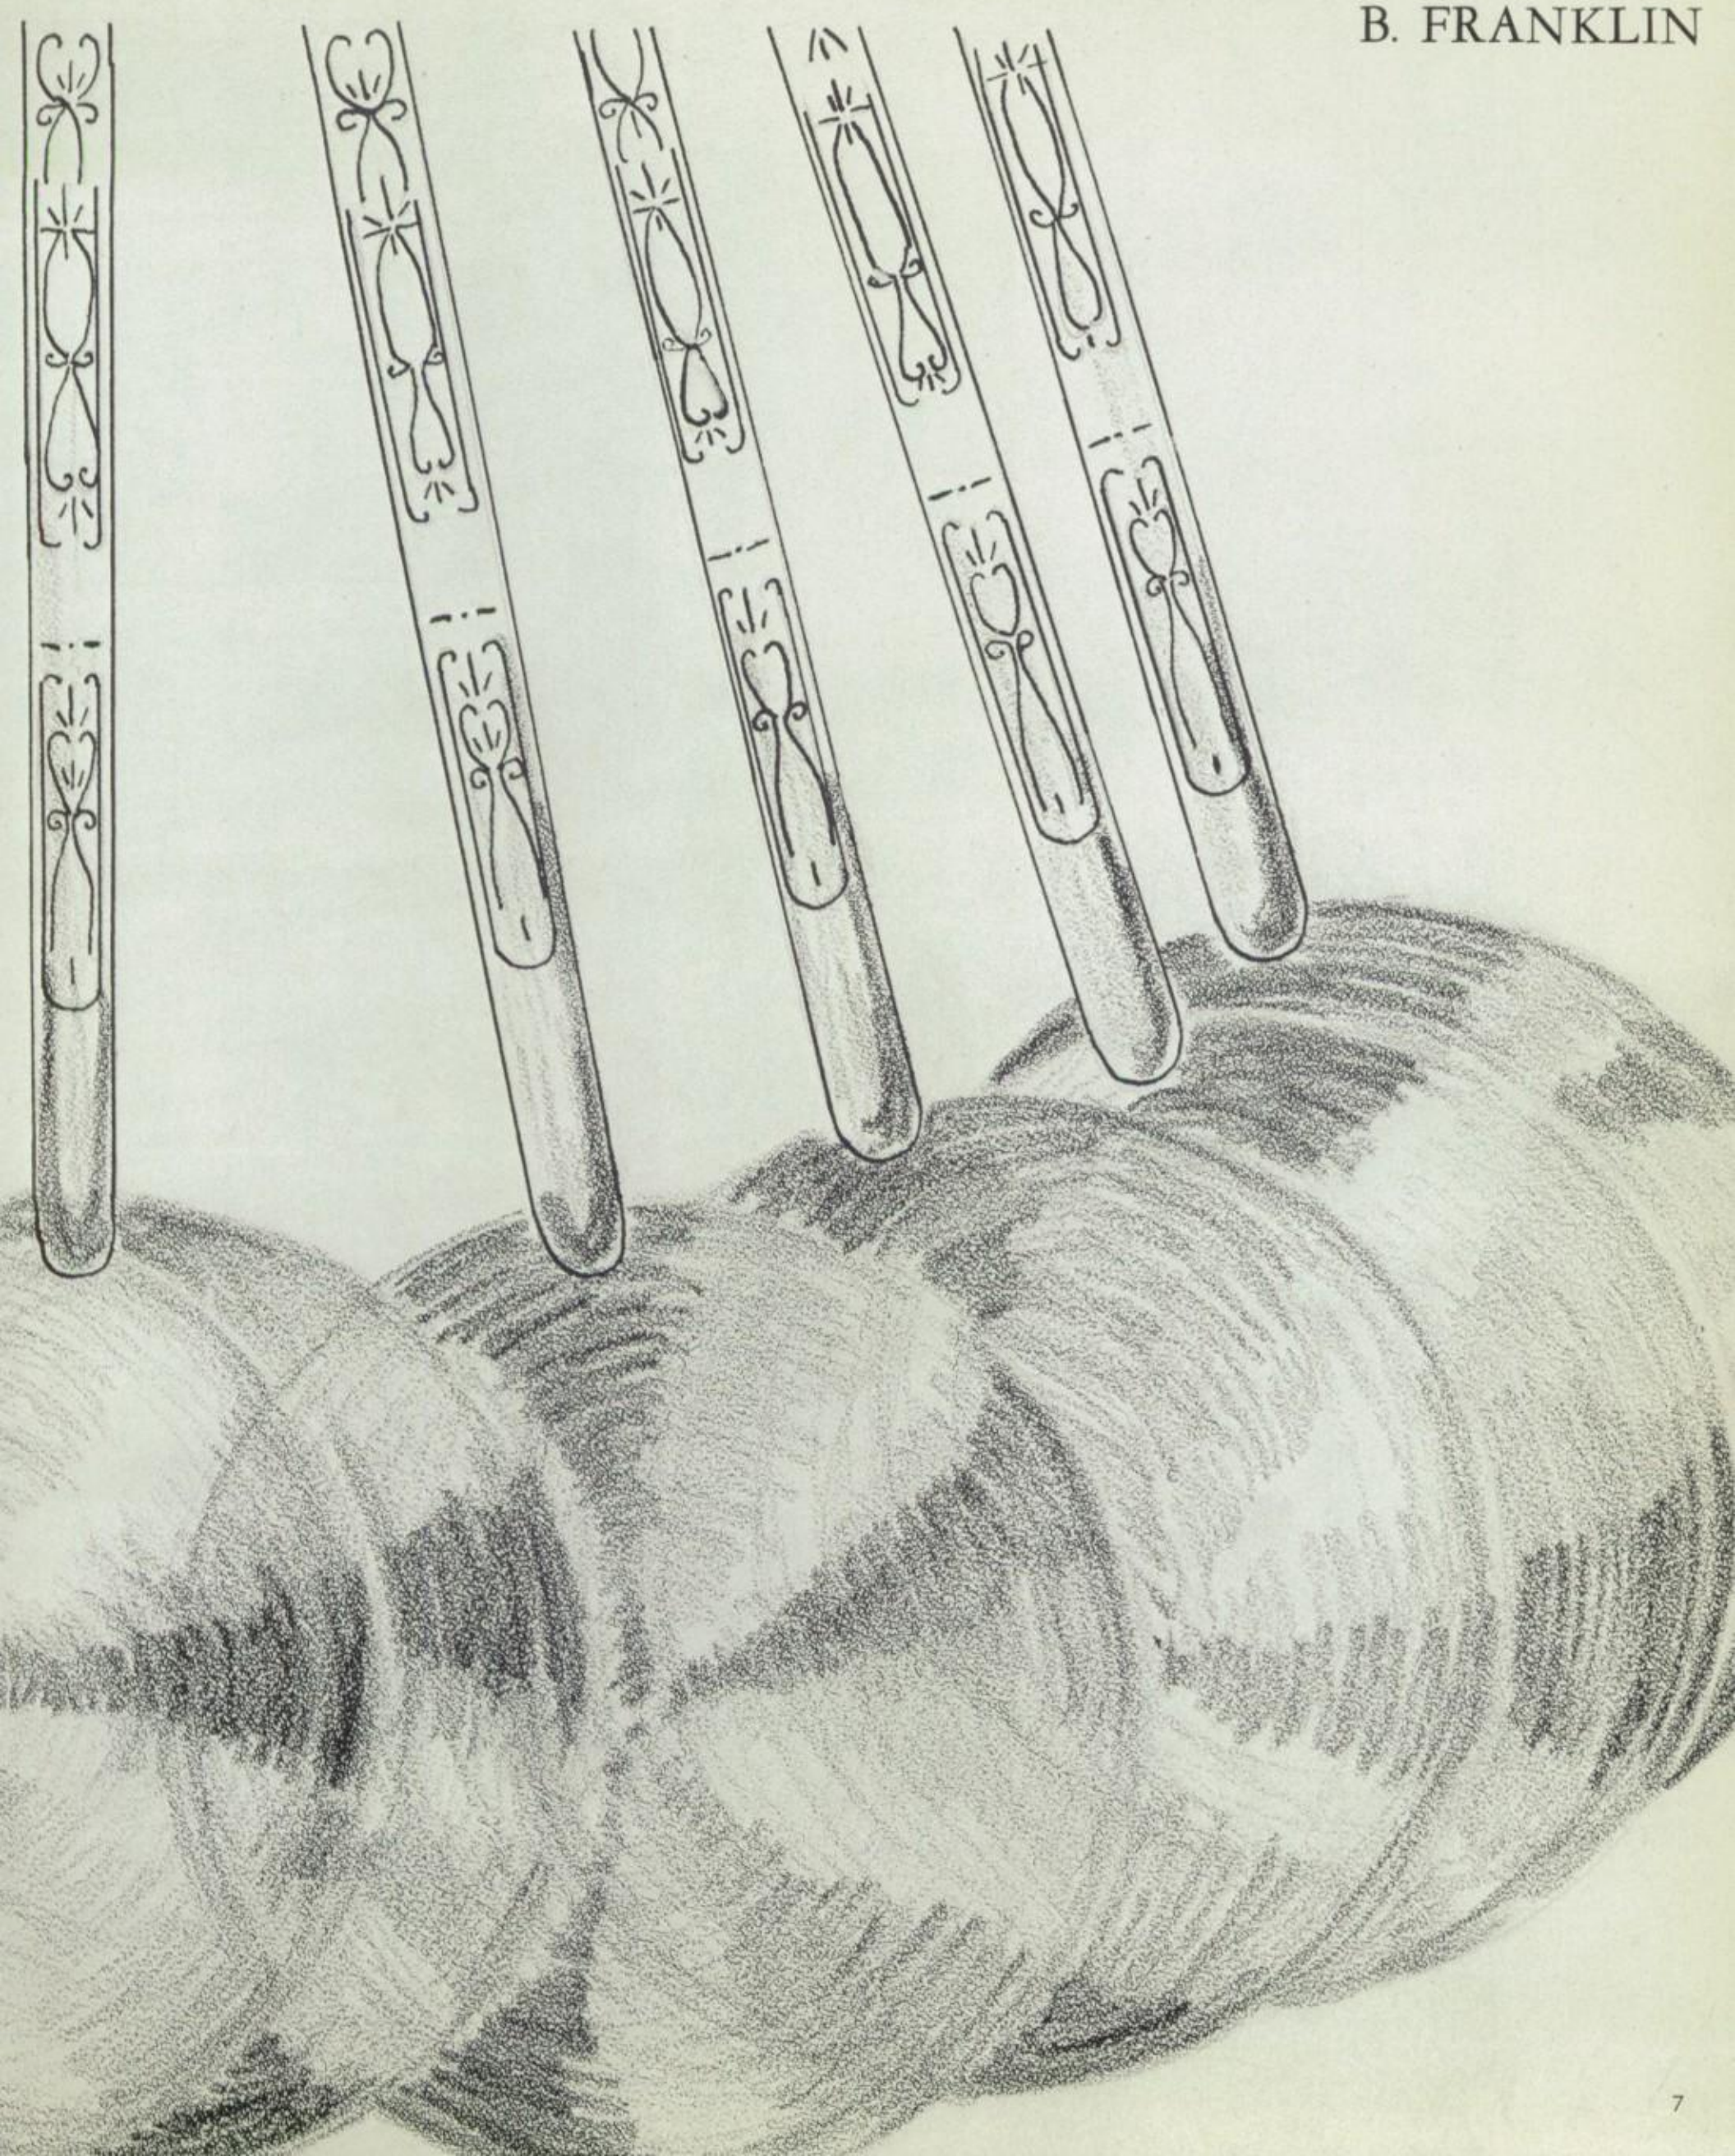
Let the clocks of our school, the classroom clock, the sun dial, the stop watch, the bull ring clock, and the hour glass, guide you through this year's *Pleiades*. Let each be symbolic of a phase in your life, Class Hours, Service Hours, Competitive Hours, After Hours, and Working Hours.

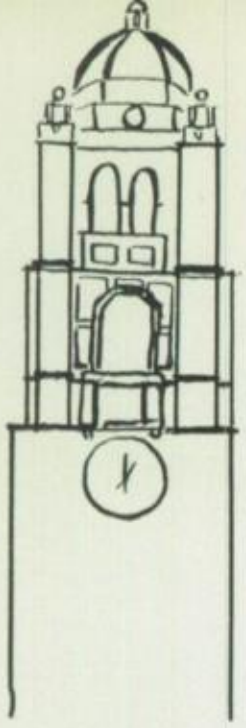
This is your annual. May it always be your memory book of a year to which the decades of Time will not alter because the clock has been stopped.



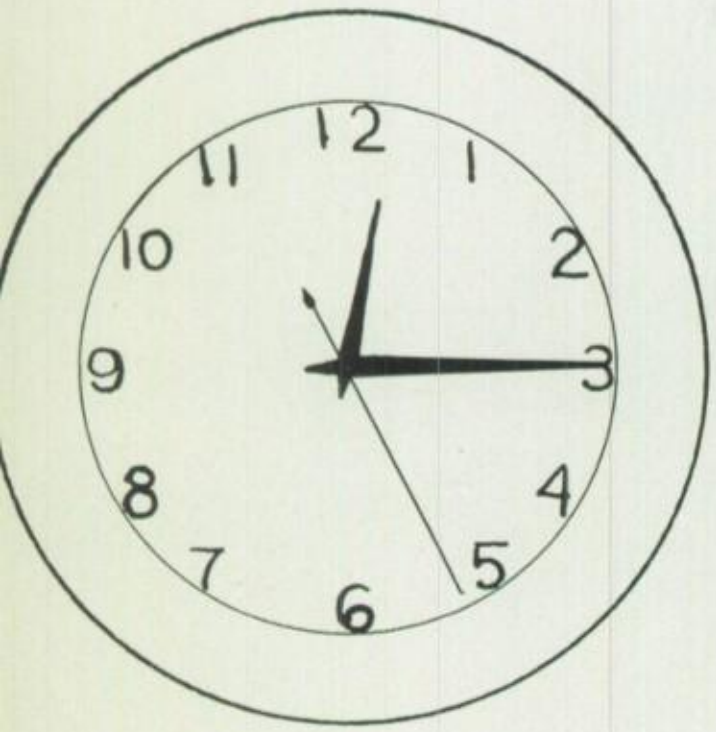
FOR TIME IS THE STUFF LIFE IS MADE OF"

B. FRANKLIN

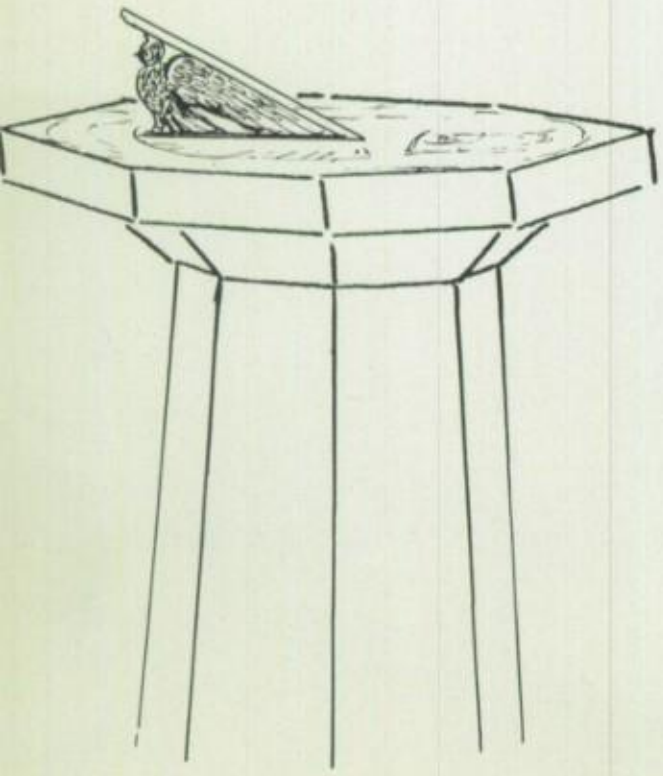




Introduction

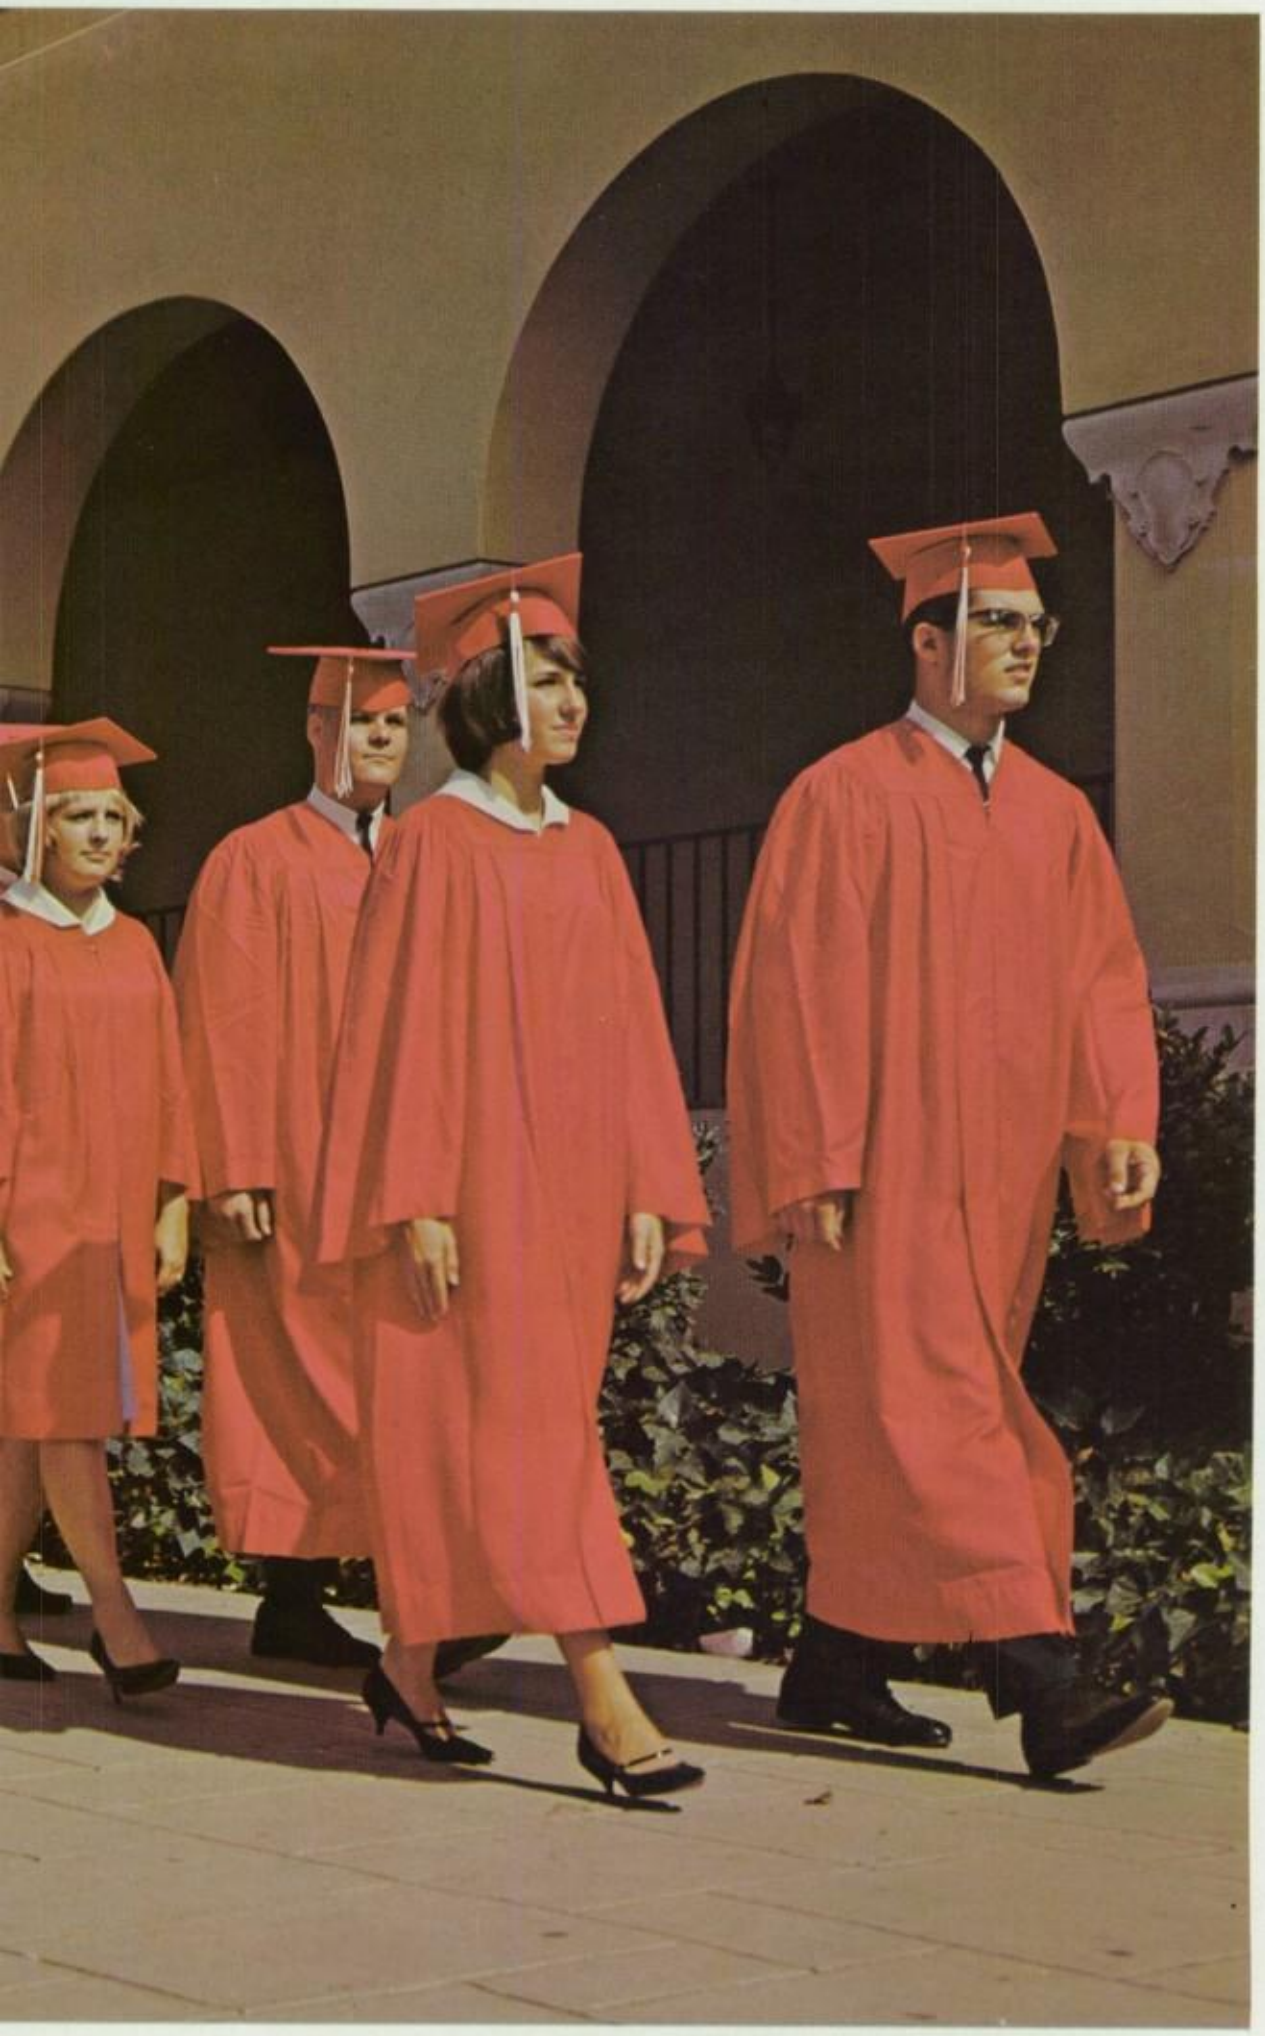


Class Hours



Service Hours

There is a special tie between our yearbook's theme, time, and the graduating class of 1965. The hours have run out for the Seniors, and they will



go on to new horizons. But each Senior should ask himself, "How well have I used my time; how will it work for me in the future?"

HEAD MAN AT FUHS

Sometimes a high school may seem to run by time alone, and in fact time is of the greatest importance. But it is the manner in which time is used by the students, faculty, and the administration that really counts. A day seems never to have enough hours in it to do all we would like. Academic preparation, student activities, and athletics all have their places in our school day and everyone needs leisure hours.

If we fail to make the best use of our minutes, they creep by and are wasted. The successful completion of high school requires more than just "putting in one's time." Unless we grow in learning, social responsibility, and citizenship, have we really spent the time afforded to us wisely?

PROBLEMS - THEIR SPECIALITY

Mrs. Helen Schwartz
College and Scholarship Counselor

Mr. Gregory Bice
Junior-Senior Counselor

Mr. Donald Ridge
Junior Counselor

Students of F.U.H.S. were privileged in having five genial counselors upon whom they could call for guidance. Besides arranging and rearranging schedules, the counselors informed students of testing programs and scholarship opportunities, evaluated their test results, discussed college plans with students and parents, and offered personal counseling. Their time was spent helping each student to select the program which best suited his aptitude and future plans.

Mr. Fred Garcia
Sophomore Counselor

Mrs. Josephine Murray
Freshman Counselor

YOUTH - THEIR CONCERN

Dr. Ernest G. Lake
District Superintendent

Dr. Lake, who attended Harvard, Yale, and Columbia Universities, has served as District Superintendent for the past six years. With the Board of Trustees and other district administrators, he has formed the principal supervising body for the Fullerton Union High School and Junior College District which includes six high schools and a junior college. It has been the extreme concern of these men to maintain a superior program of instruction which meets the requirements of the changing times.

Dear Seniors:

I would like to express the sincerest thanks to the Senior class advisors from all the members of the Class of '65. Without their invaluable help, many of the Senior class's activities would not have been possible. Through their aid and direction, they helped to give Fullerton in '65 the best Senior class yet.

Looking back, it seems this year has passed so quickly that it is hard to believe that it is over already. The Seniors got off to a fast start and presented to the school a badly needed new sign for the corner of Chapman and Pomona as a class gift. As well as improving the appearance of our school, it was felt that this sign would prove useful in the years to follow.

Then came Senior playnight, which was one of the best F.U.H.S. has had in quite some time. Finally, after numerous other activities, the year was climaxed by the traditional Baccalaureate, Commencement, and Senior Party.

As you look back on your Senior year, I hope you will find many pleasant memories. Through the Senior class council we tried to make this year something you and everyone will remember; and with the combined efforts of all the students in the Senior class this was accomplished.

Yours,

George Anderson

Having the full support of many industrious Juniors, the Junior Class officers led their class through a successful year. Work was started on Prom last summer and continued throughout the year. In order to obtain the funds for the dance, the Junior Class was in on many moneymaking projects. Sponsoring dances, having cupcake sales, selling programs at football games, having the concessions at basketball games, and trying many other new and exciting ideas were ways used to good advantage in order to make the year a profitable one.

The Sophomore class had a very successful '64-'65 year. One of the highlights of the year was the Sophomore playnite in which the second year Indians danced, played games, and generally enjoyed themselves. The main goal of the Sophomore class was the raising of money to help pay for next year's Junior-Senior Prom.

PAPOOSE PROBLEMS

The spirit of the Freshman Class was unmatched this year. We faced our problems brilliantly. Our spirit showed through in the decisive win in the Student Body Card sale. Our various money raising drives were successful also.

The enthusiastic manner in which everyone pitched in to have a successful playnight was gratifying.

We will always retain this spirit so we can make the Class of 1968 one of the best ever to graduate from F.U.H.S.

With your continued hard work we can conquer all future problems.

STUDENT EXECUTIVES "CAME ALIVE IN '65"

The work of the Executive Board began last summer with the discussing and planning of student body activities for the year. The Executive Board, which was the principle governing branch of the student body, was in charge of all finances, student body committees, appointments of Student Court justices and other appointive offices, and the making of all regulations necessary to carry out the provisions of the Constitution. In fulfilling the duties of their offices and promoting student body activities, these students lived up to this year's motto, "Come Alive in '65".

Dear Indians,

This is a parting farewell to all graduating Seniors along with the traditional "good luck" and "see you in 1990, (our homecoming), maybe". This year was one of the best years we've ever had and perhaps ever will have. I hope that you made the most of it in every way, academically to socially.

To the rest of you who will be back next year, for your own benefit, I hope that you take advantage of everything high school offers you. It seems that it is only when we have to pay for our own education that we begin to appreciate it. So, really put out an effort to be an all-around student next year, you will only be helping yourselves.

EX-OFFICIO OFFICERS WORKED HARD

Even though the Ex-Officio officers did not have a vote in the decisions of the Executive Board, they worked hard to do their best for the Student Body. The officers are student leaders from the different organizations on campus, and were important to the smooth operation of the school.

The Election Board busily counted the votes which ended in a near tie.

ELECTION BOARD MEMBERS WERE NOT ELECTED

The Election Board ran very smoothly under the direction of Rick Van Tuyle. Members were excused from their classes on election days so that students could come at any time during the day to cast their votes. After the poll closed, the Election Board members spent many long hours counting each vote and posting the results.

Student Court, composed of seven justices appointed by the Executive Board, a clerk, and a bailiff was responsible for hearing all cases of violation of student body rules and interpreting the Student Body Constitution. This year the court, headed by Chief Justice, Carter Stack, concerned itself with three factors that affected its performance: court procedure, constitutional authority, and publicity. In each of these fields the court tried to improve itself by trying new and different approaches. But, whether trying new methods or standing by old customs, the main objectives of the justices was to try each case impartially and arrive at a fair decision.

Tom Philips, A.S.B. Vice-President, acted as presiding officer over the Student Congress which was composed of representatives from all English classes. As the legislative branch of student government, these students had the power to propose changes in school policies and regulations, to issue citations to student offenders, and override vetoes of the Executive Board by a three-fourths vote. Through Student Congress, the student body had the chance to have an active voice in school affairs.

ICC COPED WITH CLUB PROBLEMS

The Inter-Club Council, headed by Kathie Steele, consisted of presidents of all active clubs on campus, class presidents, and a Student Congress representative. Meetings were held once a month to discuss club problems. This year Kathie Steele completed and distributed to all presidents a Presidents' Handbook which described the axioms of leadership, gave rules for parliamentary procedure, and offered suggestions for money-making and service projects. To help arouse interest in club activities and increase membership, a club was featured each week in the breezeway bulletin board as "Club of the Week." Painting the trash cans was another service of the I.C.C.

MONEY-MINDED STUDENTS INHABITED THE WAMPUM WAGON

Randy Hawkins
Ticket Committee Chairman

Whenever a school event was near, members of the Ticket Committee were found in the Wampum Wagon busily taking money, making out receipts, and giving change. The Ticket Committee was selected by A.S.B. Treasurer, Randy Hawkins, and Mr. Kill. These students, under the direction of Randy Hawkins, and Student Body Bookkeeper, Mrs. Dunham, were responsible for all student body sales. In return for the many lunch hours and time before and after school spent in executing sales, members of the Ticket Committee were given a free student body card and annual.

SPIRITED RALLIES RANG OUT

The Rally Committee did a fine job this year in sponsoring many rallies which did a great deal to encourage school spirit. The committee, headed by Cindy Rieck, also made posters for varsity sports, was in charge of displaying the athlete of the week, and sent telegrams and cakes to the teams.

The Rally Committee painted posters for all of the Varsity sports.

Chairman Jan Patton and the Publicity Committee did an excellent job this year at publicizing school events. Many posters were found around school to tell of the coming dances. GIRL DATE DANCE SPOTLIGHED THE YEAR

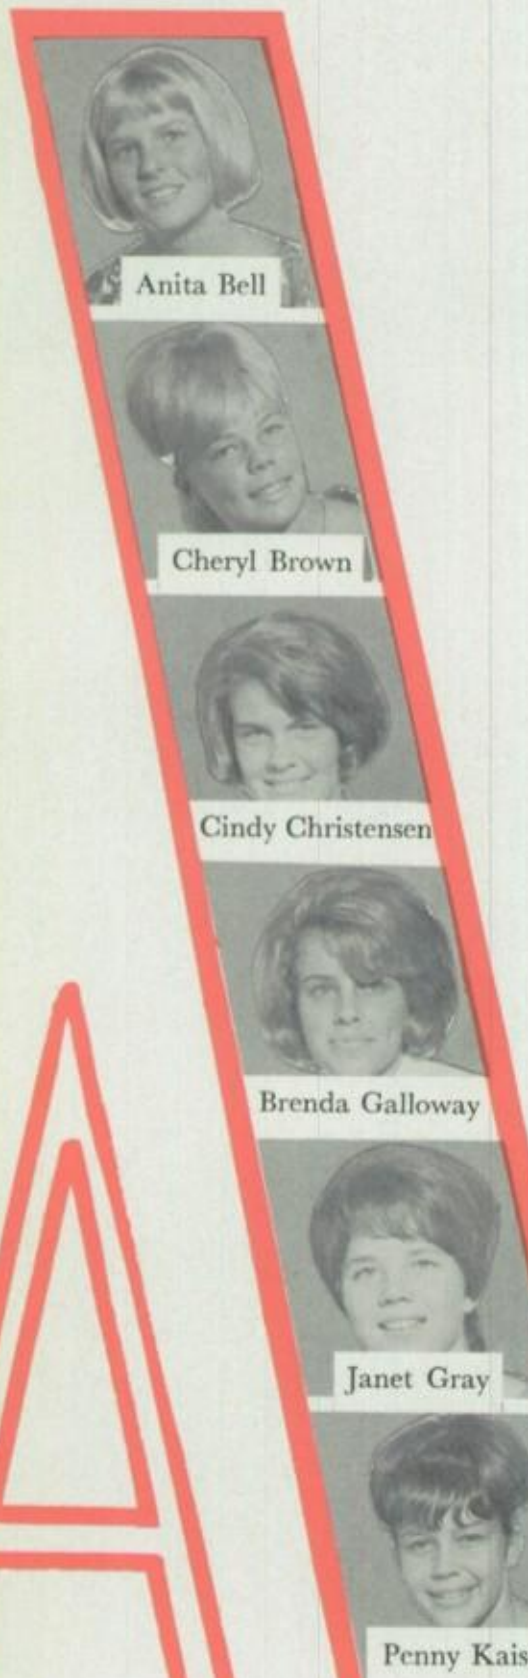
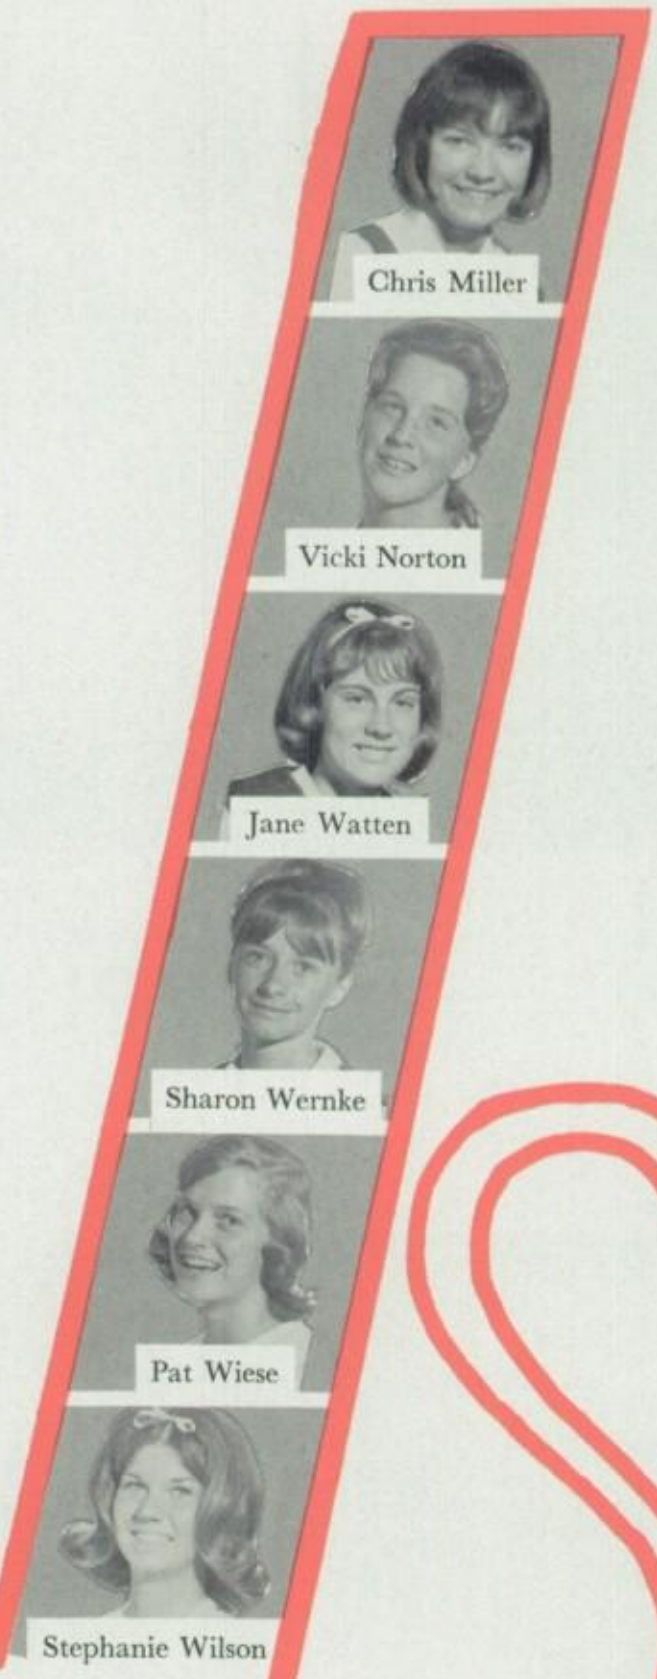
Beginning with the Big and Little Sister Party in September, the AWS helped acquaint Freshman girls with Indian traditions. Continuing on through the year, these girls illustrated stylish, appropriate dress for school and other occasions in the Dressboard Assembly. Mothers and Daughters got together for a night of companionship and fun in the biannual Mother - Daughter Banquet. The highlight of the year was the sponsorship of the annual Girl Date Dance, which was originally to be our Valentine Dance, but was later changed to the month of April.





CAR SHOW EMPHASIZED SAFETY

Early in September, the AMS sponsored an Orientation Day for the Freshmen boys. Later, the boys worked hard to produce the annual Car Show. Students entered their various categories that included stock, custom, sport, antique, and cheater. After the cars were judged by respected members of the Fullerton Police Department, trophies were awarded.

GOOD SPORTSMANSHIP ENCOURAGED BY VARSITY LETTERMEN

This year's Varsity Club encouraged athletic participation as they prepared to award the Lloyd Martin Trophy for the Most Inspirational Player. Besides this, the Varsity Club helped entertain the student body as they sponsored the annual Red and White game on September 18 to start the football season off with a bang. Later in the year, they kept students, faculty, and parents alike laughing as SHHS met FUHS on the basketball court for the Donkey Basketball game.

JUIZ DE FURA AND FULLERTON LINKED IN FRIENDSHIP

The distances from Juiz de Fura to Fullerton in mileage are great, but through the American Field Service program, they were lessened as the sales of Christmas cards brought Necesio Jose Tavares to FUHS for the school year 1964-1965. Although he brought with him the enchanting customs and traditions of his native country, Brazil, he also rapidly became acquainted with many of the fads of Southern California as he enjoyed the companionship of his American brother on campus, Jack Gipson. With his fascinating Brazillian accent, he promoted goodwill as the flag of his country was linked in friendship with our own "Stars and Stripes".

AND THE PRESSES ROLLED

Everyday during the 6th period, the newspaper staff diligently worked at writing the Weekly *Pleiades*. The creative staff, advised by Miss Lash, worked at putting out one of the finest school newspapers ever. The newspaper was full of a variety of interesting items, which kept the student body up-to-date on campus activities, and for this, the student body gives its thanks for a job well done.

CHRISTMAS TIME BROUGHT VISIONS OF ELVES

Under the leadership of Freddie Fluck and the guidance of Mrs. Wilson, the Idakas enjoyed a very active and successful year. Helping lost parents find their way around at Back-to-School Night, cleaning the trophy cases, collecting money at Christmas, and a canned goods drive were only part of the Idakas' many activities. During Christmas vacation, Idakas had a get-together with former members and this, along with other events, filled the Idaka calendar.

One of the many service projects of Idakas was cleaning the trophy cases.

KEY CLUB SERVED

With assistance from Mr. Burt, and fellow officers, Dave Lowe led the Key Club through another successful year. Ushering at Back-to-School Night, collecting for a charity drive at Christmas, and sending gifts to the Orthopedic Hospital in Los Angeles were just some of the services performed by the Key Club. Beachcomber's Ball, anticipated by all, was again hosted by the Key Club. The annual money raising project, a carwash, was once again sponsored. To close the year, members went to Asilmar, on the Monterey Peninsula for the annual California, Nevada, and Hawaii District Convention.

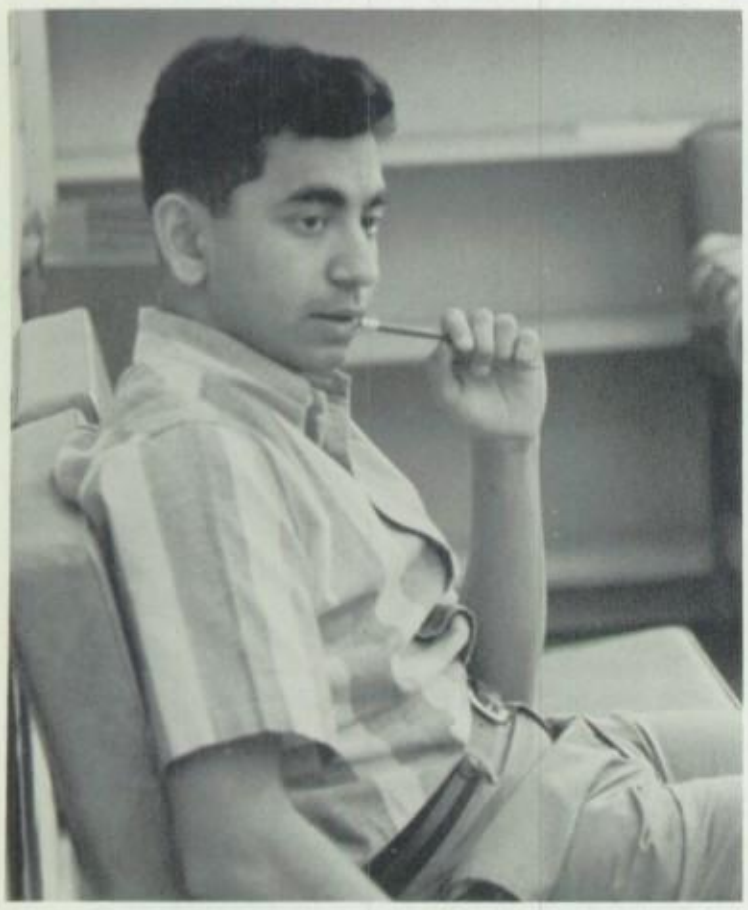
"WALK TOGETHER, TALK TOGETHER,

The American Field Service was responsible for hosting exchange students from other countries and sponsoring those students from Fullerton chosen to represent our school abroad. Necesio Jose Tavares, from Brazil, whose AFS family was the Gipsons, was this year's exchange student. Through AFS, he was given a broad view of American life, and his stay in our country was made a valuable and enjoyable one. Jack Gipson and Bruce Gehrke were selected by a group of students and faculty as candidates for the Americans Abroad Program. Later, it was announced that Jack was chosen in New York as a finalist. Under the direction of the president, Rick Budd, the AFS sponsored many fund-raising drives. These included a Christmas card sale, a pancake breakfast, and a Green and Blue Chip stamp drive. AFS was also given aid by the Executive Board through the King Briarpatch Contest and the Faculty Basketball Game.



One of many exchange students whom AFS members invited to speak at their meetings was Krishen Mehta, Sunny Hills' exchange student from India.

The Y-Teens had a very successful year. They started out with the Silver and Gold Friendship Tea, followed by the annual Halloween canned goods drive, Christmas Formal, Christmas Meditations, and many other things. Each of the four clubs spent many hours toward making Christmas Formal one to be remembered. During the Christmas season, they sponsored Holiday Meditations, which was held before school the last three days prior to vacation.

The recognition service, which was the largest in four years, was held in January at the Y-House. Mr. Oseid was the guest speaker and gave an interesting talk on "Peace on Earth." The Y-Teens continued to prosper and grow throughout the year, bringing together all types of girls.

Assemblies

An old favorite returned:
John Goddard spoke of exploits in Japan.

A goodly display of student talent was presented to the assembly audiences of 1964-65 as groups such as "The New Smoggy Basin Quartet" and "The Lady Birds" performed for the student body. Many of the old favorites returned, foremost among them, of course, was John Goddard. This year, variety was provided by the "Spurlos," a group sponsored by Chrysler Corporation. The Speech, Drama, and Music Departments put on fine shows while campus clubs provided us with some excellent speakers. Homecoming and Pow Wow Assemblies were, as always, school spirit boosters.

An old favorite remained:
Guy Micco says, "Go in Peace."

Jim Kay's award-winning speech, "Our National Poem," "The Congo," as performed by a speech choral group, and "The Confessions of a Peanut Butter Addict" were featured in the Speech Assembly.

"The Blondels" left the students humming a catchy diddy.

Jan Adams and Frank Fatseas, representatives of the folk world.

Nervous Professor Shapiro worried about his little Q-bomb as the Drama Department presented scenes from the spring play at its assembly.

Organists

The dischordant sounds of talking students, stamping feet, and slamming doors were overcome this year by our organists as they successfully killed our noise with harmony. Thanks be to them for their performances at our many assemblies and programs.

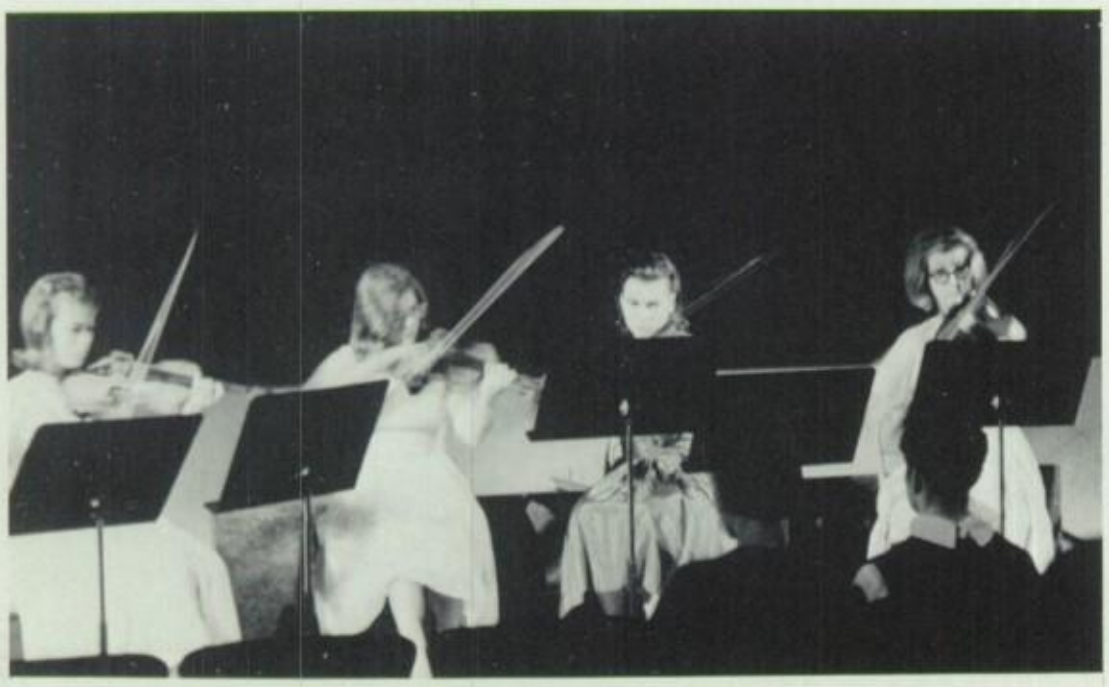
"GRANDIOSO,

The bassoon has been called "the clown of the orchestra."

People have always liked to sing and make music. Prehistoric man shouted for joy and struck two pieces of wood together. Fullerton students also enjoyed music. There were six groups, under the direction of Miss Phillips and Mr. Leyda, in which students could take part: orchestra, mixed chorus, ensemble, concert choir, girls' chorus, and boys' chorus. The less talented ones were honored by two school assemblies of music, an evening Christmas program, and a combined Junior High and High School concert.

The double bass' deep and powerful tone gives the orchestra a firm foundation.

A combined evening of Wilshire Junior High students and F.U.H.S. students was enjoyed by many.



Although the violin is the smallest member of the string family, it maintains a proud supremacy in the orchestra. A thousand and one skills are needed for mastery of this instrument.

Mr. Leyda
Orchestra Director

LEGATO, ADAGIO"

Students played among Greek columns.

The theme of the Christmas program was "Peace on Earth."

Miss Philips
Choral Director

There was always mass confusion before a performance.

The tone quality of the cello supplied richness to the orchestra so it blended beautifully with the bass.

Many "thanks" go to our Assembly Committee this year for a job well done. Although few in number, we had some of the best assemblies in F.U.H.S. history. Headed by Alee Alger, they planned the programs, typed transfer lists and agendas, wrote letters, and communicated with various persons throughout the year.

AND THEY DANCED

The Social Committee spent a great deal of time planning, decorating and working hard to bring about the wonderful dances we had this year. The dances were sponsored by various groups; however, they could not have been put on without the help of this committee. Pam Tyson, A.S.B. Social Chairman, wishes to extend much gratitude to her committee for the excellent job they did on this year's dances.

GAY HEARTS ROLLICKED IN PARIS

Aided by the skillful playwright, Jean Kerr, the Drama Department of FUHS delighted the student body with the production of "Our Hearts Were Young and Gay" in Louis E. Plummer auditorium on November 13 and 14. Under the direction of Mr. Charles Peters, the audience followed two American girls in their first trip to France and the Continent, and laughed at the riotous incidents in which they became involved.

Good make-up was only one of the many jobs performed by the backstage crew before performances.

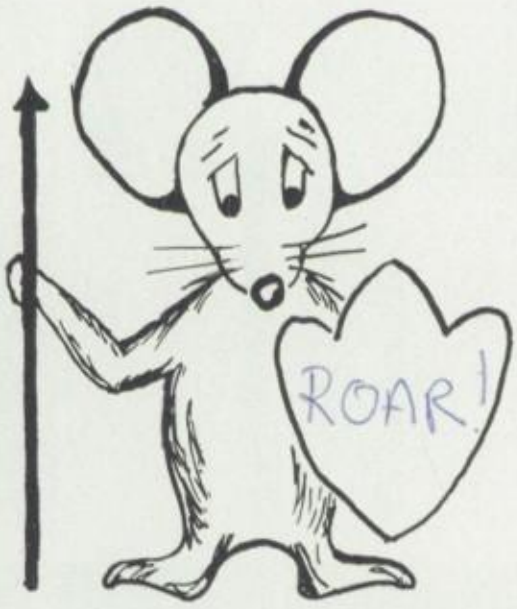
Cornelia and Emily were shocked to learn of the retrieval of their prized possessions as the admiral helpfully asked, "Do these belong to you?"

THE MOUSE THAT ROARED

In Professor Kokintz' laboratory, Tully Bascom and his men discovered the professor and his great "peace weapon."

Queen Gloriana and Mrs. Bascom expressed their surprise at the proven news of Tully's victory over the United States.

Upon Tully's return, Gloriana gathered her court to discuss the future of Grand Fenwick after the spectacular military victory.



After a successful performance, the cast took their final bows.

On they came with their arrows and long bows, up to 105*th* street to invade New York City, as the people of the small European, 50-mile wide country of Grand Fenwick, declared war on the United States. Little did they dream that they would be the victors and the captors of a highly powerful nuclear "peace weapon," plus a top nuclear scientist, an American general, and his staff. Thus, the presentation of an adaptation of Leonard Wibberley's book into this year's Spring play, *The Mouse That Roared,* amused our student body.

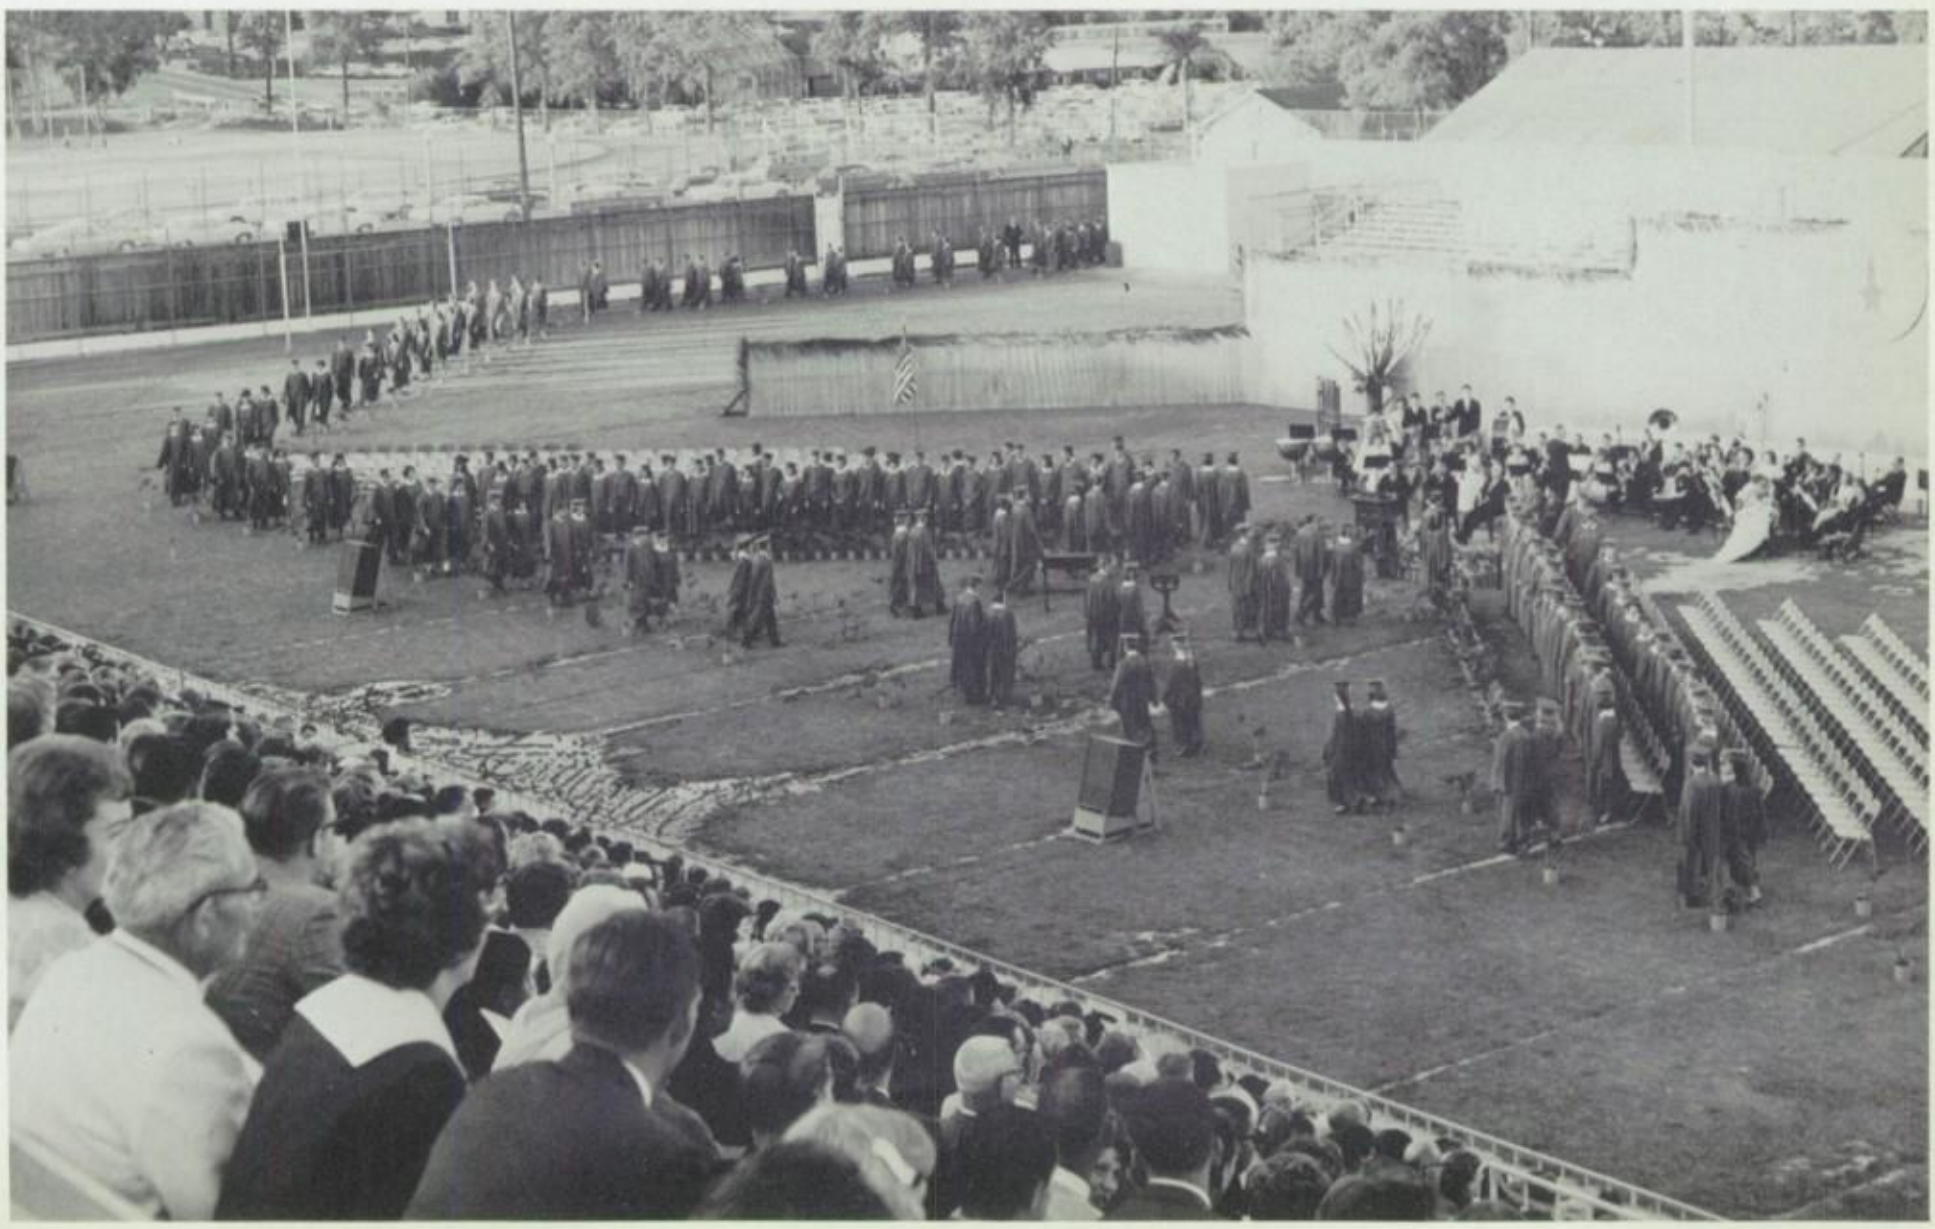
PLAY NITES

TIME TO SAY FAREWELL

As time for graduation nears, Seniors turn back the clock to see what has happened since 1961 when they started high school at Fullerton. There were days of studying, homework, and due dates to meet. Playnites, dances, and the fabulous senior party were just some of the fun enjoyed throughout their four years at Fullerton High. As June neared, it was a time for reflection, for wondering, and for all, a time of joy upon receiving their diplomas. The year is over and gone forever, but memories will linger on.

Gloria Roach and George Turner paused for their last look at Senior Corner before Commencement exercises began.



Now to face the world.

The scores said almost everything about our team this year. More points were scored this season, 185 to be exact, than any time in recent years. It was also the first time since 1957 that we had a 5-in-a-row winning streak. After the opening defeats of two non-league schools, La Habra 14-6 and Sunny Hills 21-0, the team tackled, ran, passed, kicked and blocked their way into CIF. The crushing defeat of Buena Park marked the end of our first year in the Freeway League.

Under the new leadership of Coach Bergman, the JV Football team had an exciting season. However, it was not what one would have predicted at the beginning of the season. There was a feeling of inevitable doom before those first games. Then came the hard fought battle with Buena Park and, victory. The players then began to feel they could win, and, they did. They won 7, lost 1 and tied 1—good for a first place tie in Freeway League competition. Everyone expects these boys to make a fine varsity squad in 1965!

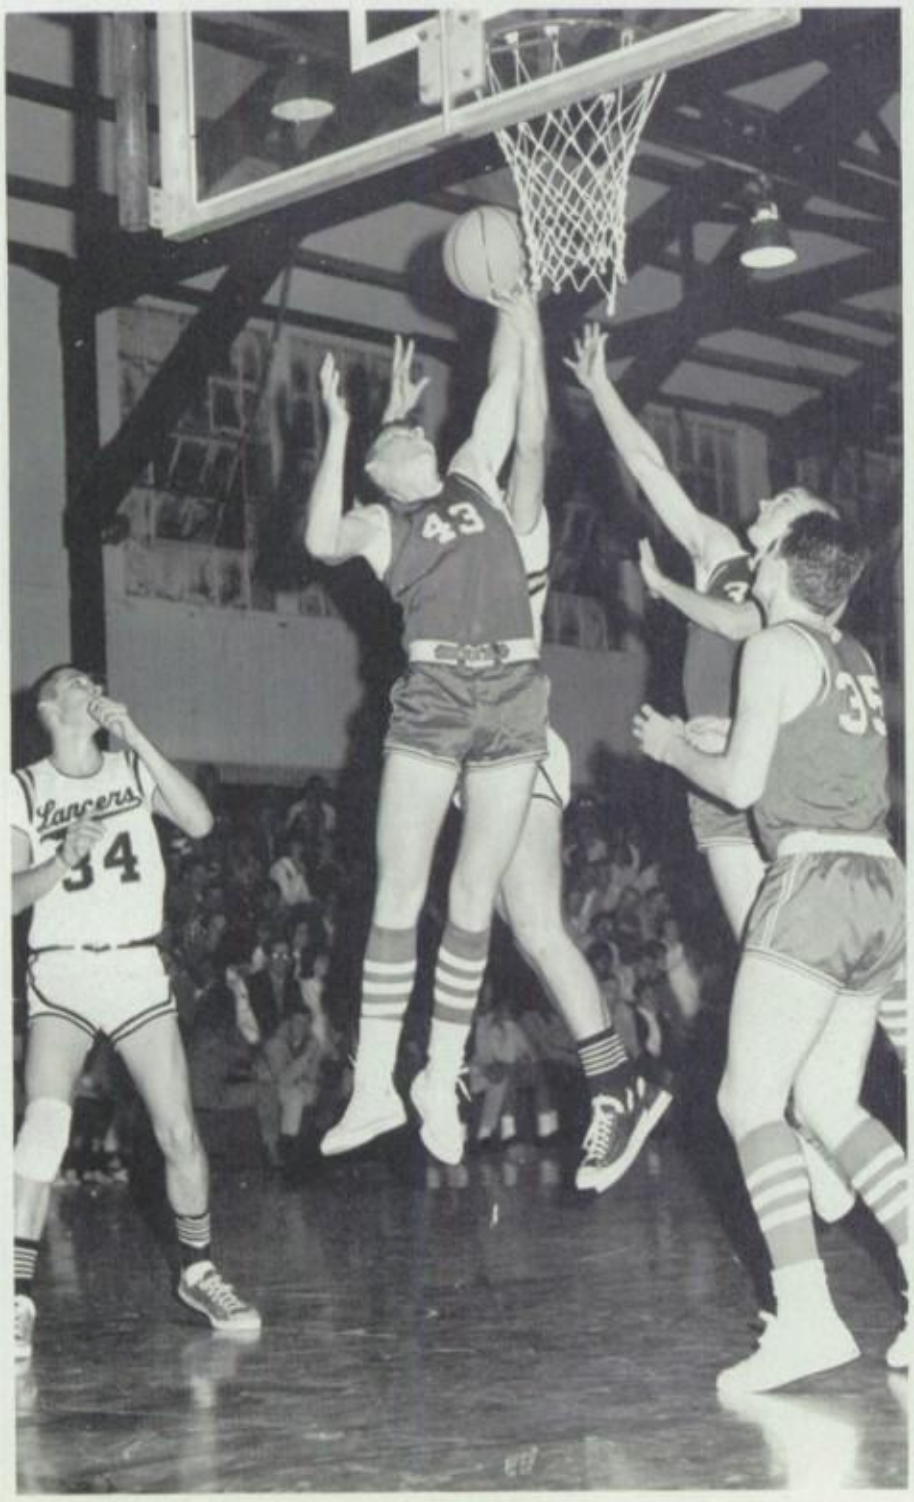
ALWAYS THE WILL TO WIN

Ed Tarin dribbled to victory in the Savannah game of January 8.

Showing a great amount of desire to win, the Fullerton Varsity Basketball team started the year with a 65-44 win over Downey. Victories in the league were few; however, the Indians came breathtakingly close to success several times. They finished in the league with a 5 win and 9 lost record. The deadly shooting of Jim Cleveland from the free throw line, Ed Tarin's good outside shooting and driving layins, and Mike Well's forceful ability as center all helped to bring fine team play to the Indians this year.



Reaching high to take the ball from the Sunny Hills Lancers, was Steve Maguire.

Jeff Nygren fought hard against Orange High; however, the Indians lost this game by two points.

Exciting action, well played games, and high scores escorted the JV Basketball team through their season. Coach Piper directed the team to numerous wins. Good prospects for next year's Varsity team were cited. At seasons end, Chris Smith and Jerry Cox moved up to varsity.

Jumping high, Lance Forsyth grabbed a rebound.

With tricky dribbling, Bob Massey faked to the left of his opponent.

Kelley Moser scored again.

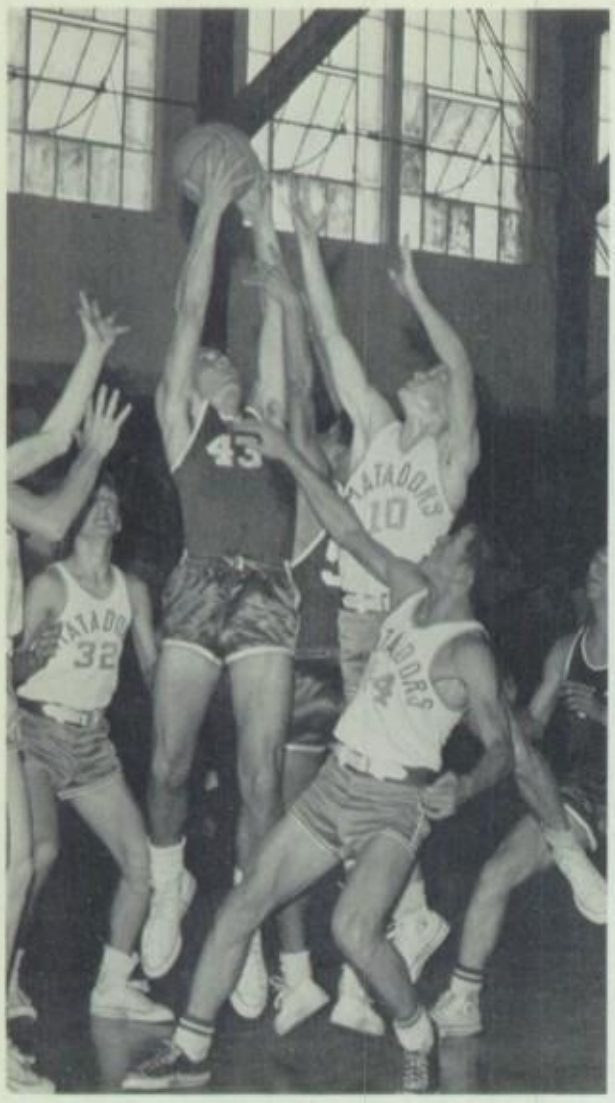
The ball went up, up, and away.

Trying to avoid a jump ball, Mike Tewalt jerked the ball away from the Matador player.

The Cee's overpowered the opposite team.

Craig Styles showed a strong defense.

BEE'S BOUNCED BACK



Surrounded by Bolsa Grande, Doug Baker stretched for the ball.

Glen Gilbert executed perfect timing in this jump shot.

Although they got off to a slow start, the Bee's showed promise. At the time of publication they had won one game and lost three. Coach Johnson named Randy Faulkner and Mike Tewalt as outstanding players on the team.

Once again, the Varsity Swimming team completed a very successful year. With the scalps from an undefeated season to urge them onward, they concluded the year as champs of the Freeway League, Moore League Invitational, Freeway League Relay, Lowell Invitational, CIF Relay, and for the third year in a row, they were CIF champs. The boys did a fine job for FUHS, under the leadership of Coach Arth who worked constantly to keep our swimming team in top condition.

A three ring circus. That is what a track meet reminds one of. There is always something going on, something exciting, so that one has trouble deciding where to look next. The pole vault with its thrilling heights, the shot put with all the required strength, the 2 mile—the height of endurance and the graceful hurdles, all of these make a track meet what it is. Practice, practice, and more practice carried the Varsity tennis players through the league tournaments. Besides participating in the Freeway League, the boys challenged each other in singles in hopes of climbing higher on the tennis ladder. Coach Lawyer led them through an exciting and eventful season.

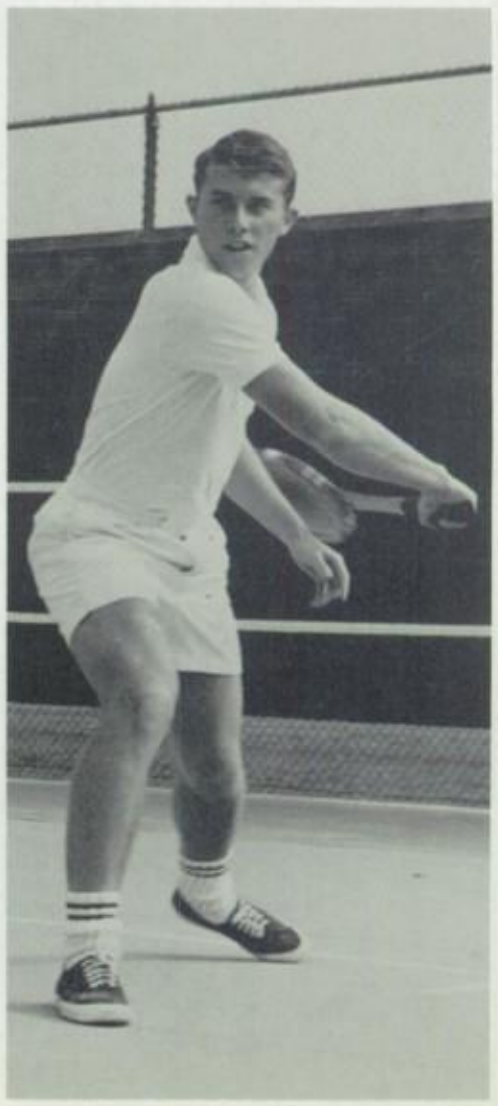
Good form was demonstrated by Doug Nelson's backhand.

John Wright slammed a return to his opponent.

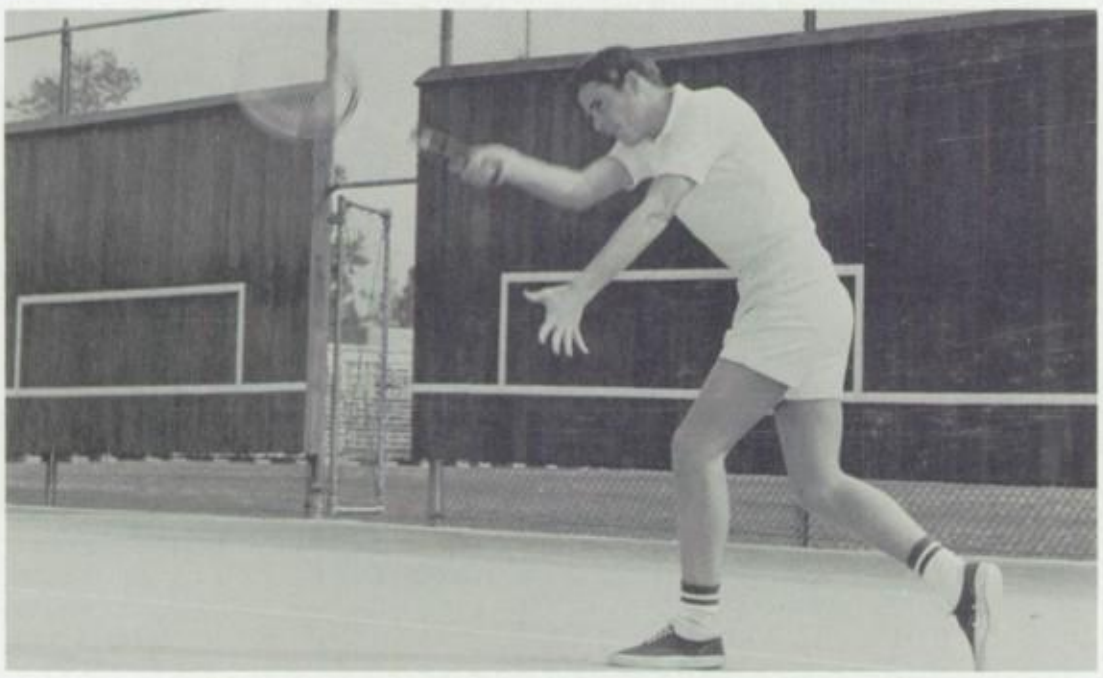


Merton Hill anticipated a backhand drive.

A firm serve was displayed by Chris Bowen.

Jim Thompson connected ball with racquet.

TENNIS WAS THEIR "RACKET"



Hitting the ball with an excellent forehand, Steve Hames, "first man," returned the ball to back court.

Since this year was the first one in the Freeway League, the J.V. tennis players were intent on a high position. They also put in hours during seventh period and after school perfecting their forehand, backhand, and serve.

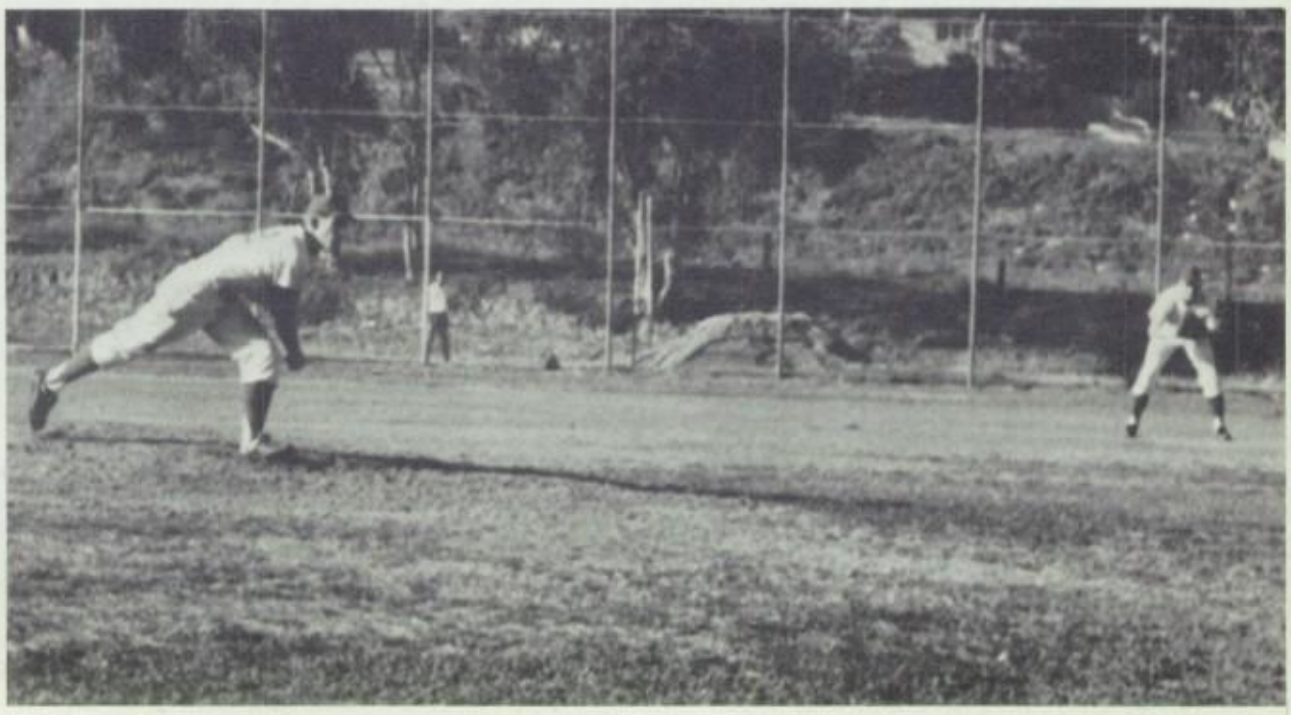
Safe on first!

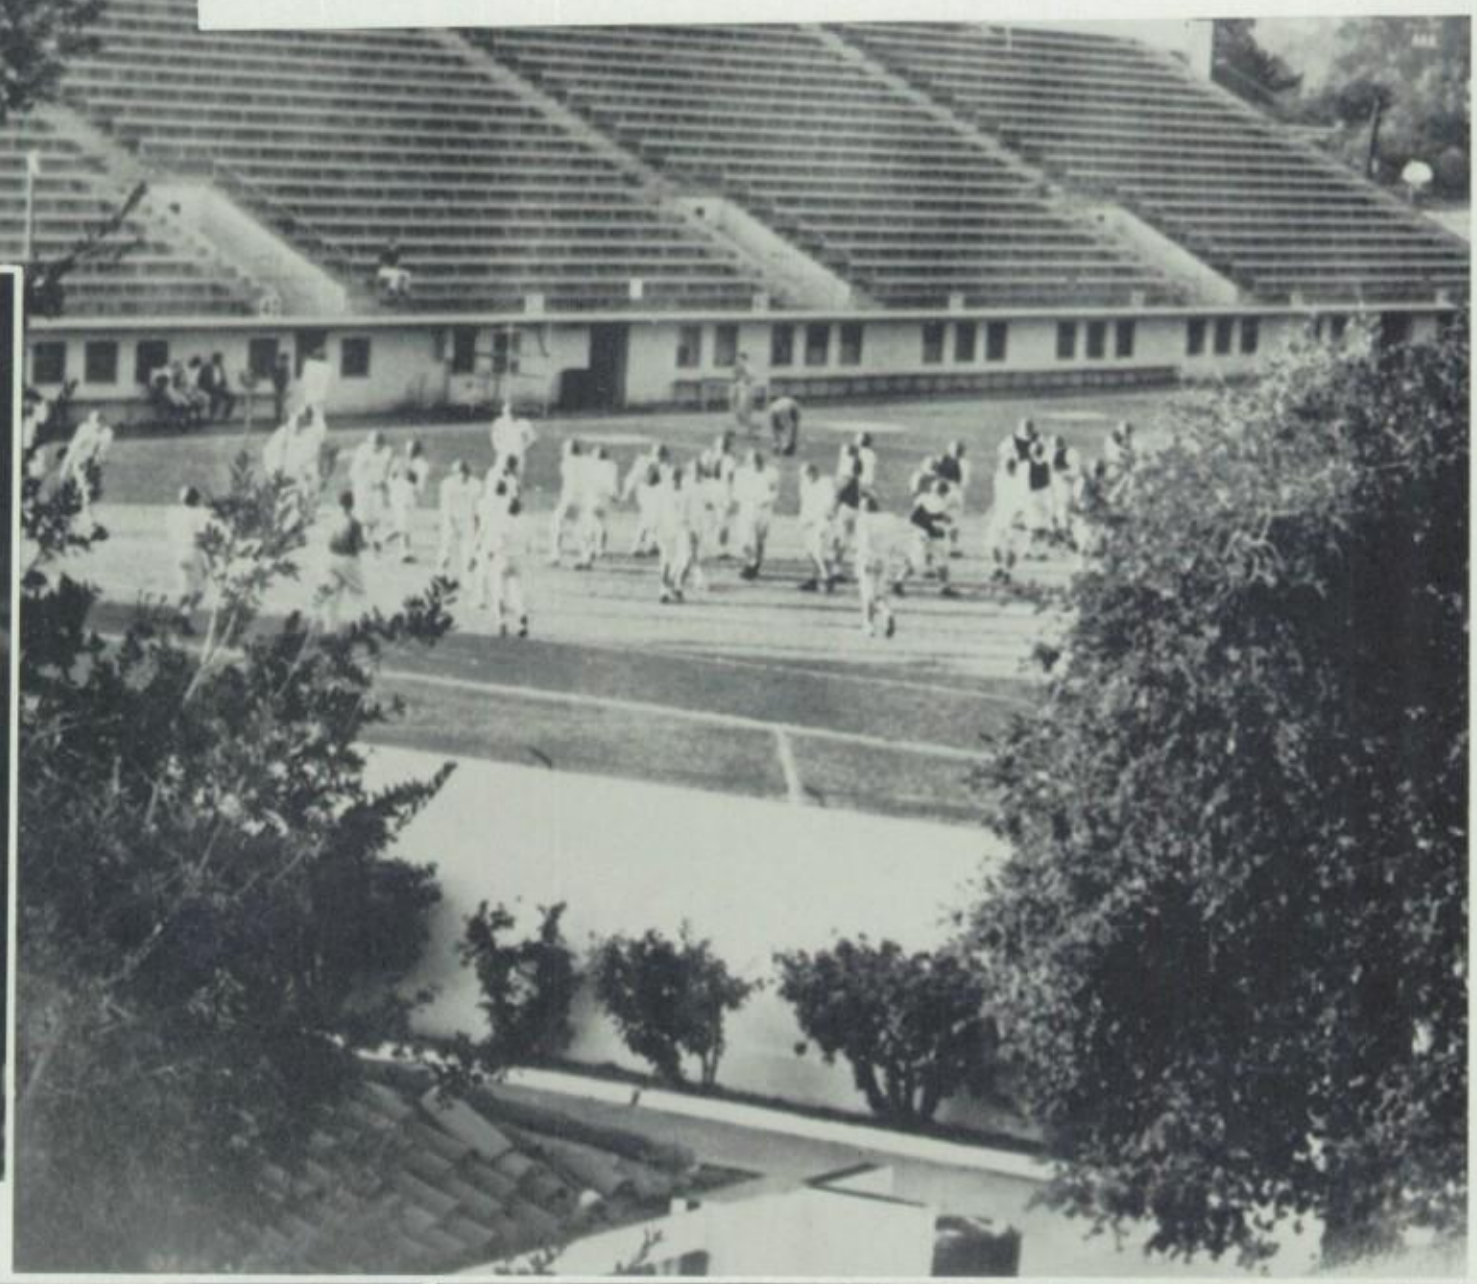
Hey, batta, batta—swing!

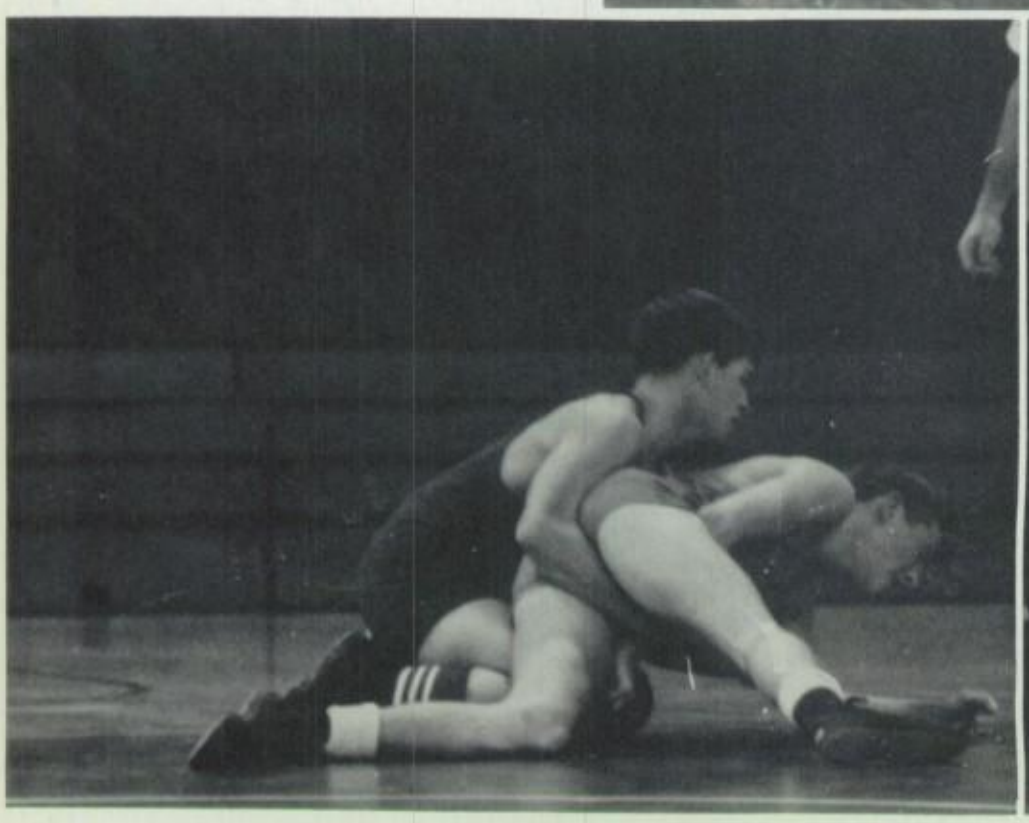


Paul Limon struck out another Lancer.

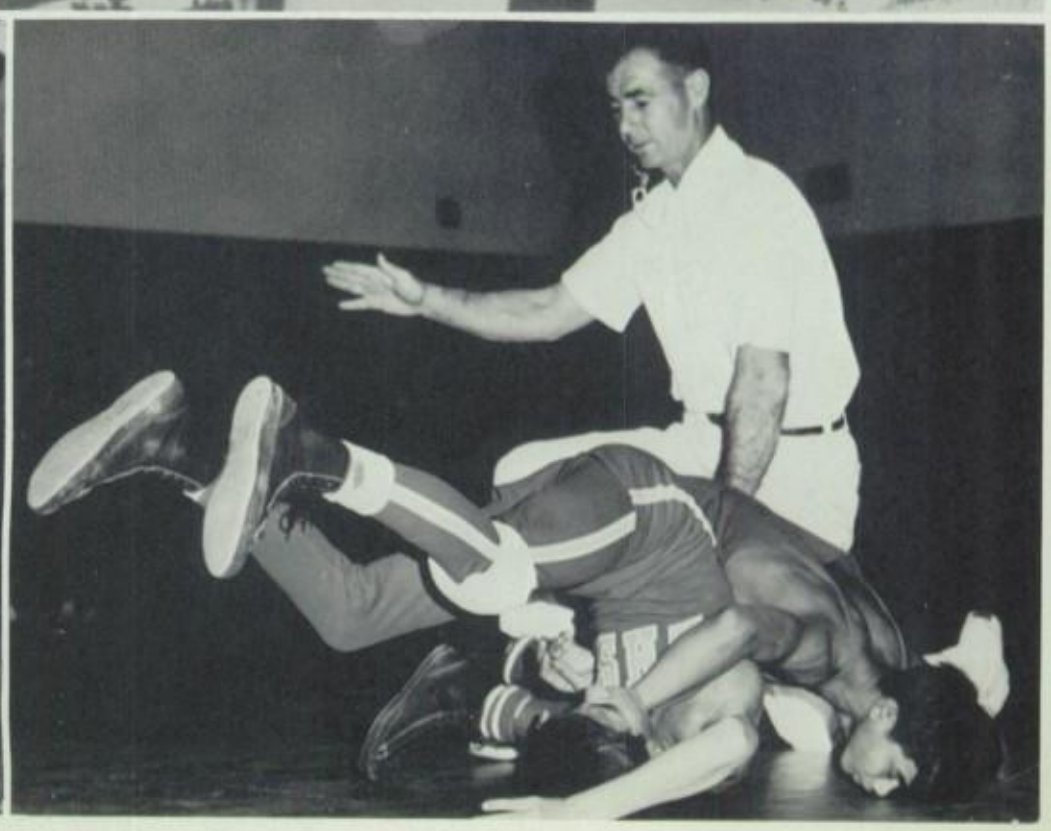
Our staunch fighting Indian team was defeated by the harder hitting Claremont Wolf Pack in the CIF Semi-finals.

Coach Tucker gave advice to players throughout the season's games.





Tim Derry held his opponent in check while he planned the pin. He was one of the two boys who represented us in CIF Finals.



Victor Levoit may have been small, but his wiriness combined with his muscles made him the other man to represent us in CIF Finals.

This year Fullerton's sports department was outstanding. The season started with winning football and water polo teams. Riding high on the enthusiastic support of students, the football team had victories from New Port Harbor to Orange. It took the rough team of Claremont to stop us in 4th place in CIF Finals. Water polo took over next with another victorious year, placing 3rd. The wrestlers grappled the way putting 6 men in the preliminaries and 2 in finals. Swimming was last but not least with their 3rd consecutive CIF championship. This was the first time any high school achieved the honor. The Annual *PLEIADES* wishes to extend congratulations to the coaches and athletes who made the year the fine one that it was.

Four times this year athletes were honored at sports banquets with speeches and awards by Fullerton faculty and other important guests.

HONOR STUDENTS CONGRESSIONAL

FIRST SEMESTER PLEIAD OFFICERS: Steve Shapiro—Treasurer, Max Capenhagen—President, Doug Young—Vice-President.

After many hours of diligent work, Pleiads relaxed on their day off-campus.

Pleiads, Fullerton's chapter of the California Scholarship Federation, was composed of students who attained ten honor points by receiving three A's and a B on the semester report card. Having been established over forty years, the Pleiads is one of the oldest chapters in the state. This year, the Pleiads sponsored a "Know Your Candidate Series" in which candidates for the 34th congressional district, Robert Geier and Richard Hanna, were invited to our campus to discuss the issues of the 1964 election and answer the questions of the students and faculty.

Pleiad members exchanged views on the 1964 election with Mr. Hanna during the "Know Your Candidate Series."

"A FARMER'S LIFE IS A GOOD LIFE"

support farmers—

Field trips, fairs, and judging contests were all part of the activities of FFA. Jill Stevens, chapter sweetheart, reigned at all FFA competition. The main event of the year for all Future Farmers was the open house held at the farm during National FFA Week. Advised by Mr. Frederick, members invited Fullerton students to see their projects—steers, sheep, and chickens.

Future Farmers conducted inspection in the glass house.

Jill and Ray prepared Dudley for competition.

Learning through experience, Yolanda Valenzuela and Alice Moreno prepared dinner for other FHA members, as Mary Jimenez watched.

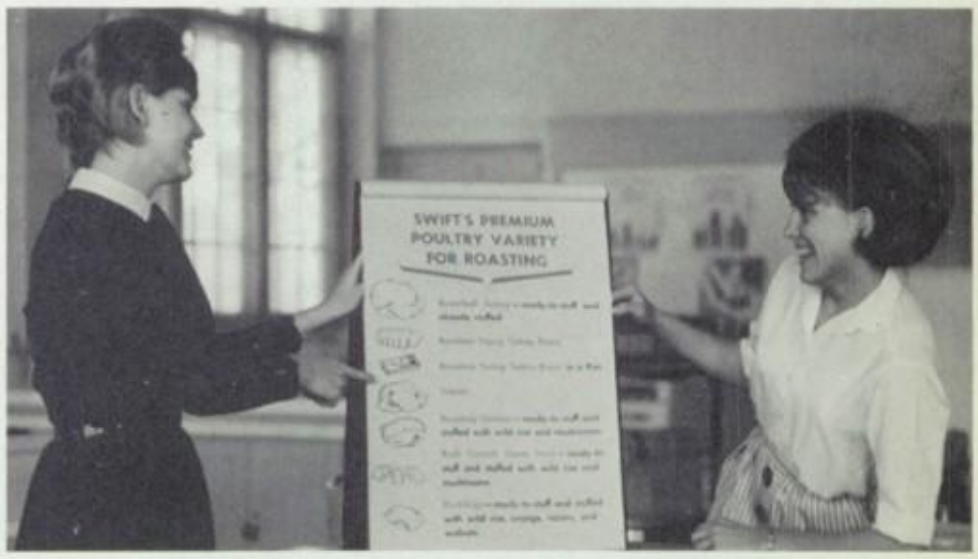
FUTURE HOMEMAKERS "COOKED UP A STORM"

Future Homemakers, with the help of club advisor Mrs. Maddox, worked to increase their knowledge of home economics. Learning through experience, the girls had a slumber party, a Careers meeting and tea, and a field trip to Disneyland, along with their meetings.



Margo Eisele and Brenda Galloway discussed the menu for a delicious Thanksgiving feast.

Between learning the subjects: math, science, and English, the Future Teachers had a chance to attend conferences at U.S.C. and U.C.L.A. as well as to take trips to Cal. Poly and Pacific State Hospital. Later on in the year, many of the members had a chance to do "practice teaching" at either Wilshire Jr. High, or Raymond School. To be eligible for practice teaching members had to be recommended by a teacher, have their dues paid and have attended at least one FTA conference. The eligible ones got a choice of school and grade.

This year's Biology Club was one of the biggest clubs on campus. With over 50 paid members, they were able to have very enthusiastic participation for their field trips and meetings.

Highlights of the year were trips to SC Med. School, the beach, and Cal Research in LaHabra.

Meetings, conducted by advisors; Mr. Daniels, Mr. Mulvey, and Mr. Bradshaw, included labs on the DNA molecule and a Micro-Acquarium. Also, talks were given on the subjects of Biology and Criminology and Petroleum Micro-Biology.

Biology Club Members were interested in the "find" of one of the Orange County Audubon Society members on a field trip that the club took to Little Corona.

MEDICAL SOCIETY HYPNOTIZED

Ferdy Massimino
President

After difficulty in organizing, the Student Medical Society managed to have a very successful year. This is the first year the club has been active since 1961.

Among this year's activities was a demonstration by a hypnotist which proved to be very exciting as their guest proceeded to hypnotize several of the members who were brave enough to volunteer.

The Student Medical Society advisor, Mr. Kawagoe, hopes that more students will join this going organization next year.

By acquiring 1400 points through the G.A.A. point system, girls are able to attain the highly desirable goal of Big "F."

Only six girls were able to achieve the necessary points which are earned by participating in girls' sports activities offered after school.

Typical of the fun loving group was their initiation and the crazy things that they forced the new members to do. The best part of being a member was being able to play in the very exciting volleyball game between the girls' P.E. teachers and the members of the club.

They also very enthusiastically served at the Boys' Sports Banquet.

The girls' P.E. teachers went into the game with the optimism of a lion, and came out with the meekness of a lamb. Big "F" won!

STUDENTS EXPLORED CREATIVE ARTS

Debbie Doolittle and Bonnie Barbour helped hang the pictures for the Spring Art Show.

The purpose of the Art Club, advised by Mrs. Randall and Miss Smith, was to honor worthy and interested art students, and to give these students a chance to do further exploration in the field of art. This was accomplished by several field trips to college campuses and art displays. Painting murals for Homecoming and helping with the Christmas and Spring Art Shows were some of the main projects of the year.

TEENS STOOD TALL

Membership of Teen Toppers was made up of girls who were five feet eight inches tall or taller. The goal of all Teen Toppers was to gain grace and poise, and to learn to choose clothes which flattered their height. The annual fashion show assembly was the event which all members worked toward, and with the help of Mrs. Randall and Mrs. Joy, club advisors, the show was a success.

Teen Toppers learned the secrets of professional modeling.

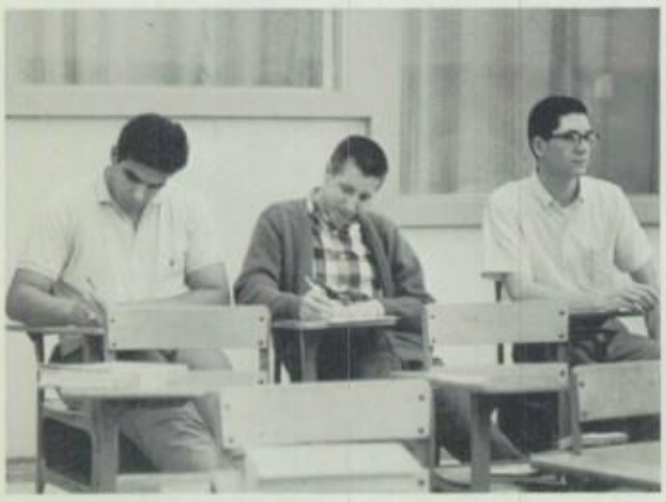
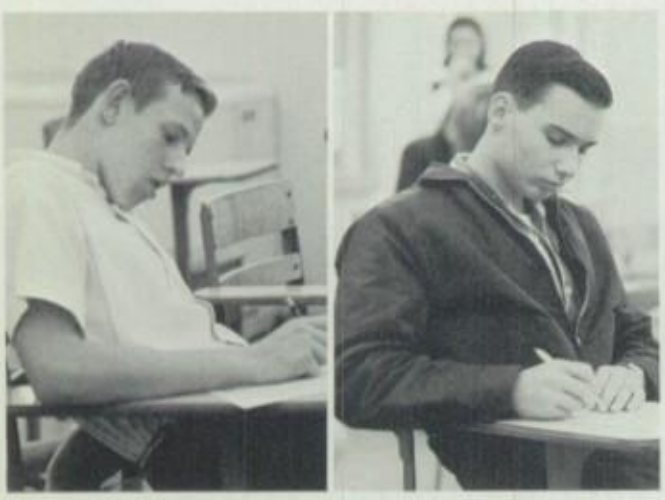
THERE WERE TWO SIDES TO DEBATE



Get the facts.

Absorb and analyze.



Form your conclusion.

Debating develops in its participants clear logical thinking, respect for authority, self-expression, and the ability to base arguments and conclusions upon fact. Under the excellent guidance of Mr. Duane Johnson, our Debate Squad strove to bring these qualities to perfection.

As a member of the National Forensic League, our team debated the topic which was chosen for this school year at the National Convention. The topic was "The International Control of Atomic Weapons".

However, there are two sides to everything, and one of the gayer traditions of the group is to join in merry-making at Giovanni's after the tournaments.

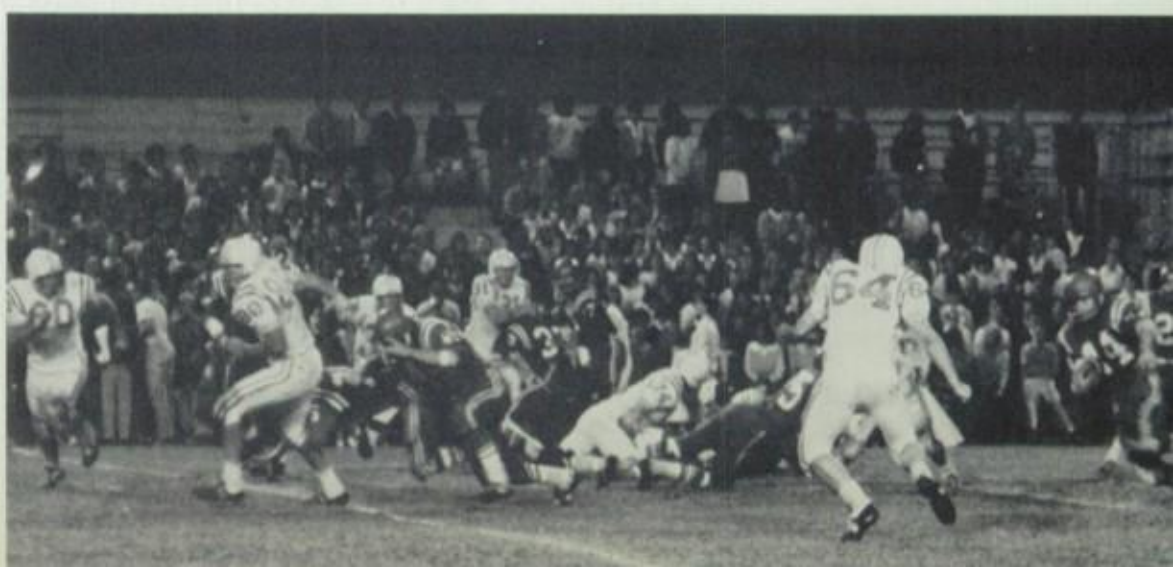
. . . a laugh.

. . . a war dance.

. . . a victory.



. . . a coronation.

. . . a melody.

. . . a conversation.

. . . A SENTIMENTAL JOURNEY

The excitement of Homecoming began with the nomination of Queen candidates by the Varsity football team. Anxiety mounted on election day while students and candidates awaited the announcement of the 1964 Homecoming Royalty. At the rally, students watched as pep leaders held a solemn funeral service for the Orange varsity football team, complete with black crosses and flowers. Homecoming Assembly was full of fun and anticipation as yell leaders and song leaders of the class of 1939 performed once again for their Alma Mater and the Royalty was first presented to the student body. The Varsity victory over Orange, 28-20, made the week nearly complete. The climax of a fabulous week came at the dance, "Sentimental Journey", as students and alumni gathered in the gym for the final coronation of the 1964 Homecoming Queen, Miss Marcia Montgomery.

Just smile and adlib.

Keep smiling, he's bound to notice us sooner or later.

After several football and basketball games, happy students attended frequent stag dances. In order to have successful money raising projects, many dances were sponsored by different organizations. After a few songs by a lively band, dancers got into the "hang of things" and "danced up a storm."

MISTLETOE MAGIC

Keeping within the usual tradition, the Y-Teens sponsored Christmas Formal again this year. To carry out the theme of "Mistletoe Magic," members of the Y-Teens sold sprigs of mistletoe at the morning break the week before the dance. At the end of the week, many couples came to the girls' gym to dance to the music of Keith Williams and his Orchestra.

SKIDOO"

It was THAT time of year again. The air was filled with excitement and anticipation. Girl Date was drawing near and all over the FUHS campus girls began to gather the courage to ask that special boy that important question.

With a "65 skidoo" the dance began. Flapper fringe, straw hats, and raccoon coats were the hit of the evening. An old Model A, punch served from an old tub, and lots of sparkle and glitter completed the Roaring Twenties atmosphere.

BEACHCOMBERS' BALL

Clad in bermudas, beachcombers, shifts, and capris, many couples came to the annual Beachcombers' Ball. The tennis courts were quickly turned into a dreamland for the dancers by the Key Club members. This was a night that everyone will remember for years to come.

Getting tuned up for Beachcombers' Ball were Ellen Payan, Bobby Payan, Susan Rowan, Pat Elliott, Joan Dorroh, and Terry Saber.

"MEMORIES WERE MADE OF THIS"

With the magic of soft lights and sentimental music, the 1965 Junior-Senior Prom created a romantic memory for all who were caught by the enchanting spell. The junior class, which traditionally sponsored Prom, planned an exciting evening of dancing and memory-making at Fullerton Ebell Club. Prom will be one of the many happy memories held dear by the graduating seniors of Fullerton Union High School.

THE YEAR

This year at F.U.H.S. we had many winners in speech. Scott Pagel, Barry Whitesides, Bill Baker and Warren Brunson were among the winners in various speech contests.

On March 6 Jim Kay was 1st in Original Oratory. He then won First Place in the California State Finals of the American Legion Oratorical Contest on March 7. Jim went on to win the Western States contest in Las Cruces, New Mexico. Then, on April 8, all classrooms were silent as an announcement came over the broadcast that Jim Kay had won the National Final High School Speech Tournament in Portland, Oregon. Many congratulations were well in order for Jim and all of his classmates believe that he will go far in the future.

Champion Jim Kay.

Behind each of the F.U.H.S. productions were the stagecraft workers.

CIF! CIF! CIF!

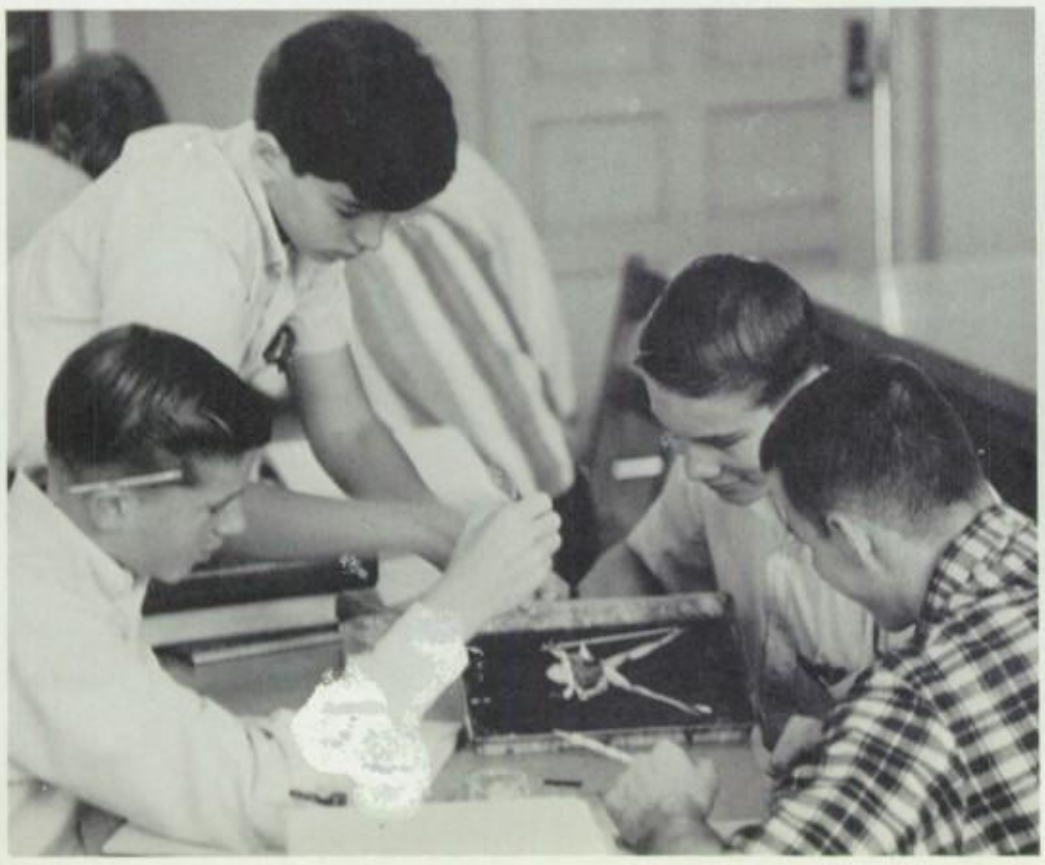
This year, for the first time in F.U.H.S. history, boys were allowed to wear bermudas to school.

The Senior class of 1965 was the first Senior class to present their class gift to the school before they graduated. Making use of the brick foundation, given by a previous class, Jan Patton and Sue Varnum displayed the class gift.

THAT WAS

F.U.H.S.' Mr. Logan exchanged views with his "look alike," Congressman Hanna, at the fall meeting of the Pleiads.

Preliminaries were held in March for the Tricycle race at Servite High School.



Dave Tway was Indianville's gift to the kitchens of America. His cream puffs are great!

Mr. Oseid's legs won him the title of "King Briarpatch" in the contest to gain funds for A.F.S.

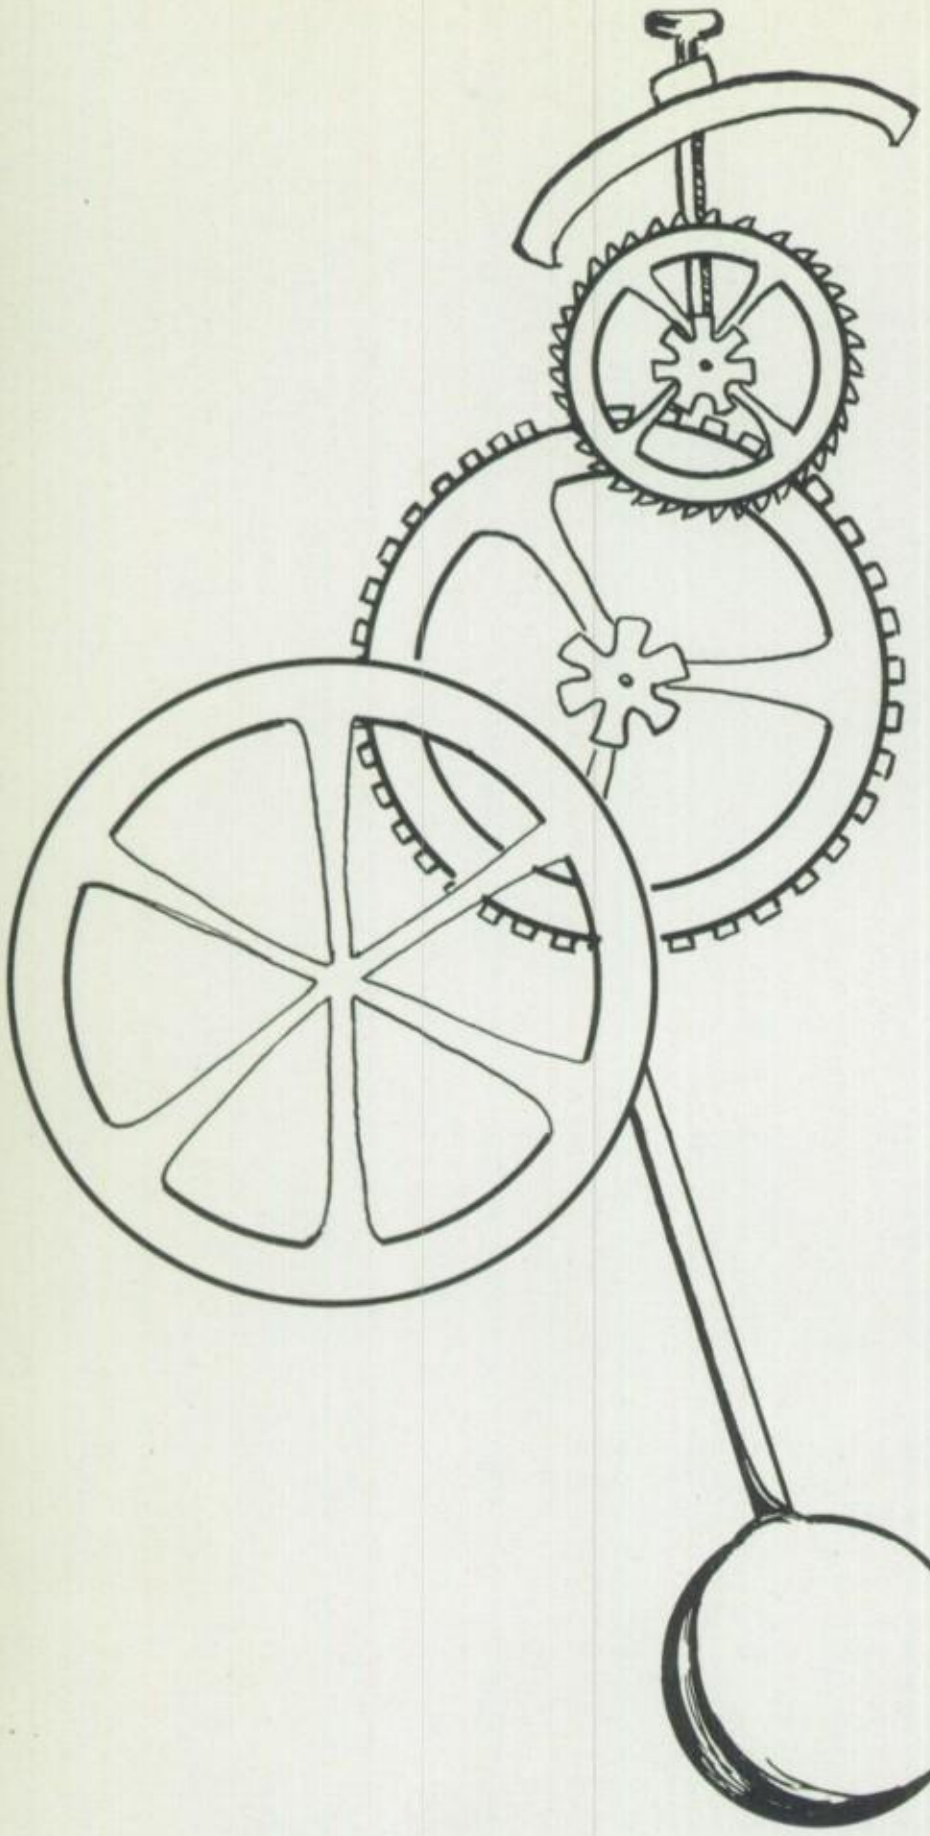
SENIORS

TO REME

PAUSED

MBER WHEN . . .

. . . we beat Anaheim, 20-0.
. . . we got to stand on Senior Corner for the first time, (legally).
. . . Mr. Oseid went on a diet.
. . . we turned around our class rings.
. . . we got out of school because it was too hot.
. . . we were taken to the police station for papering .....'s house.
. . . we were first introduced to John Goddard's tapeworm.
. . . we staged our first "Library Day."
. . . Guy Micco nearly missed the coronation of the Homecoming Queen, and Necesio found he had two dates for the evening.
. . . we rang the Victory Bell for the first time.
. . . Mr. Jackson approved seven cuts without knowing it.
. . . they tore out "The Top of the World."
. . . we met the famous "Lulu" at the Donkey Basketball Game.
. . . Susie Barkley ran for Bow Wow attendant.
. . . Mrs. Frates saved the cherry tree.
. . . the Y-Teens lost Mr. Jackson's keys.
. . . our football, water polo, wrestling and swimming teams all qualified for CIF.
. . . Lowe and Darke beat Archipley and Micco in the celebrated Senior Class Playnite Basketball Game.
. . . automation invaded the snack area.
. . . our cars got locked in the gutter.
. . . Princess Ann refused Jeff Jaques' invitation to Prom.
. . . we had the time trials for the Grand Prix Tricycle Races.
. . . this picture was taken.



"TIME IS THE OLD JUSTICE, THAT EXAMINES ALL OFFENDERS."

SHAKESPEARE

After a yearbook is out, little can be said about its annual staff other than the conventional remarks about hard work and loyalty. We started out with sketchy ideas and converted them into printed realities which we hope will please those for whom this book is published—the Indian students. To my fellow staff members, who put forth so much extra effort, belongs whatever credit is due.

In the vacant office, piled high with paper, galley proofs, brownlines, and pictures, the spirit of the staff lives on. On the desk before me lies the dummy. A year ago, it was filled with blank sheets of paper. Then the book began to take form with layouts. Life was given to the pages with pictures by Marion Willett of Albert & James Photographers. Copy, written and rewritten by the faithful staff, told the story. Then there were the thankless jobs which required endless hours of routine work: indexing, proof reading, scheduling and identifying pictures.

To function properly, every editor must be backed by a good business staff. Despite troubled times, the ad staff went over the top to a new record in advertising income.

Indispensible to the publication of this year's book have been R. Wallace Pischel, Inc., our printers, and S. K. Smith, Corporation, our cover manufacturers.

All the people performing these tasks made the book. It was a long and hard job, but we had fun doing it. There was always time for a coke from the machines or to celebrate another staff member's birthday. All together, it's one of those things you wouldn't have missed for the world.

After three years' work on the *Pleiades,* I can say in all sincerity to my associates who have become my best friends, "I wish we could do it again."

you too have good luck in Geometry
next year. All kidding aside
Geometry class would have been
pretty dull without someone
to "chop" and hear that? wonderful
~~name~~ name you call me. Good
luck next year and if we
are both lucky I won't have
you in any of my classes next
year.

Señor Lorenzo!

¿Como estas amigo?. ¿No sabes?. Pues, no es importante porque estoy no seguro que estoy de vivir. Recuerdos tú $\sqrt{Crap(Crap-A)^2(crap-B)^2}$

El señor Hero formula.

Enough w/ Spanish (mainly because, in the short paragraph I've written I've covered my entire meager knowledge of Español.)
I really cannot think of more to say either except that I'll see you next year. Maybe we'll both have

Harry, been in bed's or bar tonight. It's not or and nor. me a "C"!) So a geometry thought giving (even and it's good luck) mean good Joanne Carlisle

Hi Larry
I'm glad this year
is over - God knows!
Boy - what a load off my mind!
I passed! I hope I see you
next year in Algebra II Ms.
Good luck and all that!
